DECLARATION OF RESULT OF ELECTION

LOCAL GOVERNMENT ACT 1995— SECTION 4.55

Given that at the close of nominations, the number of candidates is one less than the offices to be filled at the election, I hereby declare the following people elected to the office of Councillor for the District Ward of the Shire of Woodanilling, for a four year term expiring in 2025.

- Hugh Russel Thomson
- Dale Stuart Douglas

An extraordinary election will be conducted to fill the remaining position on a date to be announced.

Stephen Gash

BUSH FIRE SEASON

Woody Men's Shed.

AUGUST 2021

***The Woody Men's Shed next meeting,
Will be on Tuesday the 12th October 2021***

New members welcome.

Starting at 5:45pm with a BBQ—Meeting starts at 6:30pm

Winter is a great time to curl up in front of the fire and do very little, and we are no different. As it says on the bottom of our reports “ *if it is cold, wet and miserable, Then we just might go home early.*” Well that is pretty much what happened last month.

Although- We did have one job to do, which was to make a small kids size picnic table out of pine.

I made a mistake, and forgot to let the boys know (as I was in Perth) that the customer wanted a quote for one first and didn't need it until Christmas time.

So If anybody would like a small kids size picnic table now—We have one available, and we can make another for Christmas time if need be.

TABLE FOR SALE \$300.00

Our October meeting will be our AGM.

I will be stepping down as President at that meeting, - More to report next month.

Please ring Keith or Rod if you are planning to come and see us on a Tuesday or Wednesday morning to let us know that you are coming. — Because —

If we are quiet with little to do, or it is cold, wet and miserable, Then we just might go home early.

President: Keith Schurmann 0431136001 -

Vice President: Shane DeSouza 0412062064

Secretary/Treasurer: Rod Marshall 0437014941

Catering Officer: Robert Hyndman

August was a quiet month for us.

Our next meeting will be Monday 20th September 2021 at 10am in the CWA Building.

Please feel free to come and have a cuppa with us.

From the Principal

Well here we are heading towards the school holidays after a very full term! I have been out a lot this term attending the professional learning DOE provides to bring principals up to date on current system initiatives and also the Wheatbelt administration conference. The staff have capably managed the school in my absence, although the children are asking when I am coming back to teach!

I am not fond of the drive to Perth in the rain, which I have done several times recently.

Soccer Clinics

Our sports grant is now being applied to soccer clinics every week into next term. Some of the money was also used to pay for our marquee, which has helped the P & C bank account.

Musica Viva

Next Tuesday we are going to the Musica Viva performance at Broomehill. I promote live music of every genre for our students as a culturally joyful celebration and educational experience.

Father's Day

Congratulations to Georgia and staff for planning and facilitating such a warm and interesting experience for Dads and children. The level of engagement and the smiles were heart-warming.

Brain Development

I can recall a time when we knew very little about how children's brains developed and how parents are the first and most important teachers. I recall when I learned that just reading books to a child at bedtime was only part of the story. The other significant part is the neural development that happens as they associate that experience with love and warmth and time with a parent or caregiver. So remember to read often with your child, enjoy the time with them, it is fleeting.

Broomehill Faction Carnival

On Friday, students of Woodanilling PS joined Broomehill PS for their annual Faction Carnival. It was a wonderful day of athletics, sportsmanship, great weather, and lots of fun! The children participated in a range of team events, making their own Woody team and joining Broomehill to create a mixed team. All children showed great sportsmanship by cheering on their friends, encouraging teammates, and congratulating others. All children should be extremely proud of themselves for never giving up and trying their best. It was a fantastic day out in the fresh air and a great opportunity for the children of Woody to build friendships with the wider community.

Father's Day Afternoon

On Monday we had our awesome dads join us for a Father's Day afternoon. The dads had a sausage sizzle lunch then played footy with the kids. After their play, they were put to work building their Father's Day presents with their children. The kids spent lots of time and put in hard work to design their toolboxes and we hope all the dads love them. After the toolbox building, the fathers were treated to a beard shave by the kids. We really appreciate all the dads for coming along, I know the children loved having you at school!

“POWER TO THE PEOPLE”

John Lennon

There was a lot happening at the hall last month. On the 24th and 25th of August, a huge busy bee achieved what we have really needed for so many years - connection to mains power.

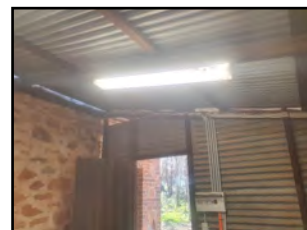

Ten people worked hard, under the guidance of electrician Brenton Stewart, to get electricity connected to our hall. Frank Carter cleared a path through the bush. Russell Thomson and Mike Vermeulen spent two days digging a trench. Graydn Wilcox, Sally Vermeulen, Paul Mader, Eric Treloar, Mark and Daniel Tarnowy then assisted Brenton in laying the conduit and cable. Many years ago we had the hall wired in preparation for this project.

A huge thank you to our Shire President, Russell Thomson, for making it finally happen. Also special thanks to Graydn Wilcox and the Wilcox family for allowing us to connect to their transformer. Thanks to people who supplied machinery - Frank Carter, Russell Thomson and Graydn Wilcox. All the other volunteers who provided labour also made this possible. With the big donations of machinery and labour we could finally afford to get connected. Thank you to the Kenmare Bushfire Brigade for their monetary contribution.

Having power connected has made it so much easier to use the hall without having to set up generators and extension cords.

SPRING CLEANING THE HALL

18 People attended the busy bee held on Sunday 15th August.
A huge thank you to all who attended and worked so hard raking, dusting and cleaning in preparation for the upcoming birthday celebrations.

CHANGES TO BUSHFIRE WARNINGS

Western Australia is joining with other Australian states and territories to deliver nationally consistent emergency information through the Australian Warning System (AWS).

AWS is an easy-to-understand warning system to help you stay safe during an emergency, no matter where in Australia you are.

ADVICE

A fire has started but there is no immediate threat to lives or homes.

Be aware and keep up to date.

WATCH AND ACT

There is a possible threat to lives or homes.

You need to leave or get ready to defend – do not wait and see.

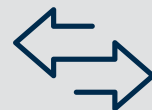

EMERGENCY WARNING

There is a threat to lives or homes.

You are in danger and need to take immediate action to survive.

What's changing?

As part of the AWS, you'll see new Bushfire warning colours and icons on Emergency WA.

What do I need to know?

Ensure you know the new Bushfire warning system and what action to take to stay safe.

Where can I get information during an emergency?

CHANGES TO BUSHFIRE WARNINGS

Western Australia is joining with other Australian states and territories to deliver nationally consistent emergency information through the Australian Warning System (AWS).

What is AWS?

AWS is an easy-to-understand warning system to help you stay safe during an emergency, no matter where in Australia you are.

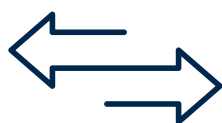

Knowing the AWS warning levels, colours and icons will help you know what to do when you see a warning.

Why is AWS being implemented?

The Department of Fire and Emergency Services (DFES) is committed to continuously improving emergency information for all Western Australians and for those travelling throughout our vast State.

We want everyone in WA to be safe, and that's why we're delivering nationally consistent emergency information when you need it most.

What's changing?

From late 2021, the bushfire warning colours and icons on Emergency WA will change. You'll also see updated icons for all hazards on Emergency WA.
