

Woodanilling Wongi

October 2021

Kenmare Hall 100th Anniversary Celebration— Saturday 16th October 2021

IN THIS ISSUE

Shire Notes, Community Land Care News, Community Activities,
Notices, Birthdays and Upcoming Events

All supplies and materials are kindly donated by the Shire of Woodanilling.

Shire Notes

APPOINTMENT OF NEW CEO

The Shire of Woodanilling has appointed Kellie Bartley to be its new Chief Executive Officer. In announcing the appointment, Shire President Russel Thomson advised that the Council were pleased to attract a strong field of applicants and that Kellie's extensive local government skills and regional experience made her a great fit to lead the Shire forward.

Kellie has performed corporate, community service, and Acting CEO roles, most recently in the Shire of Brookton, and she is looking forward to being part of the community when she commences early in the New Year.

More info on Kellie will be in the next Wongi.

LOCAL GOVERNMENT

EXTRAORDINARY ELECTION

Due to the lack of nominations for the Ordinary Council Elections held this year the Shire is required to hold an Extraordinary Election for one council seat on 17 December 2021. The number of candidates is a measure of a community's interest in its local governance and representation moving forward.

Crucial dates and times:-

Nominations open	3rd Nov 2021
Nominations close	4pm 10 Nov 2021
Election Day	17 Dec 2021

ITS TIME TO ROLLUP4WA

It is recommended that all Western Australians get the Covid-19 vaccine, if you are aged 12 years and over then you are eligible.

Covid-19 is not over and this is a timely reminder to practise Covid safe behaviours while enjoying spring/summer activities.

- Maintain physical distancing wherever possible
- Practise good hand hygiene
- Stay home if sick and get tested.

WAGIN/WOODANILLING LANDCARE ZONE

Lakes Action Group

Do you like to spend time around our local lakes systems? Are you involved in birdwatching, kayaking, skiing, hiking or any of the activities we can do around our lake areas?

Would you like to ensure our lakes are protected in the long term for both recreation and environment?

We are seeking expressions of interest from community to become members of a new group dedicated to preserving the lakes in Wagin and Woodanilling.

This group could potentially be involved in revegetation programs, fauna management, water quality or any number of activities that could benefit the chain of lakes.

We would like to invite you to contact WWLZ if you would be interested in participating in such a group.

WAGIN / WOODANILLING LANDCARE ZONE

Mosquito Management

With rain coming through quite regularly, it has been tricky to fit in treatment of the creek with larvicide. This product will not be effective if it is run through the creek in a new flush of rain.

Due to the high numbers of mozzies, the decision was made that we would have to go ahead and do a round of fogging as a short term solution until we could get a run of weather that would allow treatment of the creek.

The difficult part of the process is that the creek, whilst running, does contain pockets of still water that mozzies do harbour in.... But treating this with larvicide is challenging with the larger volume of water being in motion.

With the reduction of staffing on the Shire works crew, the task of treating the creek falls to Gen, currently treatment involves walking in the creek, the entire length of the creek within the township. When the water was running high from the heavy rains, it was too deep to do this..... Now the water has receded, but the mosquitos have had the opportunity to breed prolifically without intervention, hence the decision to fog.

Currently the plan is to allocate several days of the week of the 11th October to treat the creek and all standing water with mozzies present. The product works by preventing mozzie larvae from completing their hatching cycle, but does not affect the ones that have completed the final stage before pupating.... So even with this treatment, there will be some mosquitoes hatching that were advanced enough to not be affected. If we can follow up every 3 weeks as is required for management—without more rain— we can get on top of it.

But we do ask for some self management from you to help us and some understanding regarding lack of staff, weather restrictions and tight timelines for effective management.

If you have any questions about the program, please contact Gen at the numbers below.

WAGIN / WOODANILLING LANDCARE ZONE

Snake Removal Service

With warmer weather on the way (eventually no doubt!) and following the large volume of rain this winter providing a wide array of prey, we are likely to see a high volume of snakes this summer.

Gen at WWLZ has recently completed venomous snake handling training and we are offering a new service to the community to relocate snakes from your home back out into the bush.

Wagin is currently running a snake handling course which has been filled very quickly.... If you have an interest in completing such training yourself, contact Gen as there may be the option to run further classes.

Woody Men's Shed.

The Woody Men's Shed's— October 2021

New members welcome.

The 2021 Annual General Meeting took place on Saturday and of course the election of office bearers for the next 12 months and been finalized.

I, Keith Schurmann has stepped down as president of the Woodanilling Men's shed at this meeting.

We have achieved a hell of a lot in the last Seven Years after taking the old Richardson store that was literally falling apart and restored it back to look like it did over 100 years ago and turning it into a local men's shed.

I have enjoyed my time as president but it is time to step down and hand over to somebody who can take the Woody Men's shed to a new high.

The new committee members for 2021/2022

President:	Brian Paddon	0407 387 010
Vice President:	Steve Fitzpatrick	0410 393 296
Secretary:	Rod Marshall	0437 014 941
Treasurer:	Rod Marshall	

Thank you and all the best, Keith Schurmann

WOODANIILLING CWA

With the change of season, events are springing up! In conjunction with the Woodanilling P & C, we will be assisting at the Kenmare Hall celebrations on October 16th then at the Katanning Show on October 23rd. We hope to see the community support out at Kenmare. I'm sure many of you are as sick of weeding as I am in my garden. The CWA gardens are in a similar situation but we've begun to tackle the pesky weeds with the advent of fine weather.

Planting and mulching are also jobs to be done.

Our next meeting will be on Monday October 18th at 10.00 a.m. Come along and join us for a chat and a cuppa.

Woodanilling Playgroup

Playgroup meetings are held every Thursday at the Woodanilling Pavilion 9:30am. We currently have a Facebook messenger group for existing members to stay connected and a WHATS App Group. If you would like to enquire or join please contact Kahlia 0439 754 391 or Brooke 0437 313 060.

Alternatively visit the public Facebook page called Woodanilling Playgroup.

Woodanilling Community Church

I want to tell you that there is a God and I'm willing to share my amazing experiences with you.

Please join me and others, every second Sunday of each month, starting at 10am, as I am willing to share my stories with you all.

Marion Taylor- 0422 447 857

Please include your name as reference.

Ride for Research Ride for HOPE

HI THERE!!

This year I'm riding for Bev Crosby who sadly lost her battle with Cancer just recently .

I'm riding 200km in the MACA Cancer 200- Ride for Research to help find a cure for cancer. This will take place on October 16th and 17th.

I could really use your support to raise as much as I possibly can to make a difference and fund cancer research right here in WA at the Harry Perkins Institute of Medical Research.

I'm passionate about this event and I hope you will support me by making a donation to my fundraising page:

<https://www.cancer200.org.au/s/1338/7718/e>

We ride in honour of our beloved friend , community member & inspirational lady, Bev Crosby who fought so tirelessly & sadly passed away recently.

Team Garstone still dominate the Team this year with Ian & Bradley.

And along with the duo is myself Kes Wilhelm & Lance Mudgeway. For us it's our 3rd. But 2nd to do the Perth-Mandurah-Perth ride.

I have lost many family members & friends to cancer in my life. It leaves me very passionate about doing all I personally can to raise funds for cancer research. I live in hope that a cure will be found to cure cancer for good.

Every little bit helps.

All the best and thank you for your kindness,

Kerry Wilhelm

EULOGY- Cecily Judith Nixon (Judy as she was known)

Born 22nd March 1942 at the Wagin Hospital, only child of Olga and Wally Shaw.

Judy lived on a small farm just north of Woodanilling until her father started work on the Woodanilling Shire when they moved to Cardigan Street in town.

Judy attended the local primary school and when it was burnt down attended makeshift classes in the local town hall until the new school had been re built.

While attending the Katanning School she was seriously injured in a bus accident while in transit to school when she was about 9 years old.

Judy was involved with Badminton and played basketball in local teams during her years in Woodanilling.

While working at the BKW Co-op at Woody, Judy met John and as their friendship grew into romance and marriage, shortly after Cindy was born. John started his own earthmoving business and so Judy took on the role of bookkeeper, pilot, mum, while still working at the local co-op.

Judy always helped out at the local school, during swimming lessons, sporting carnivals and the likes.

Although not a keen cook, mums roast dinners where the best and being cooked in a wood fired oven always tasted amazing. Many of my friends and family have fond memories of those meals.

Wednesdays afternoons were always ladies badminton and although they were competitive there was always lots of laughter and chatter and fun especially when it was a social afternoon with another town, it was time to catch up on all the social news since last time they had last met. All of the kids would get off the school bus and hopefully get 50 cents to spend at the local shop on lollies.

Judy loved her animals especially dogs, we had numerous dogs over her lifetime, all were pampered and cared for in spectacular style.

Judy and Johns other passion was cruising, especially on the Princess Line cruise ships. John didn't have to drive, and Judy got to let someone else worry about doing the cooking and they both enjoyed seeing a number of different places over the 15 cruises they took, and spoke passionately about these trips.

Judy was a kind woman, who enjoyed a good laugh and if a cup of strong hot tea with a biscuit was involved, even better.

When the West Coast Eagles were formed, mum who had never had any interest in football before, became an ardent one eyed supporter, who would happily chat about the merits of players and game play decisions by umpires with anyone who cared to listen.

Judy and John were members of the West Coast Eagles and travelled to home games when work allowed, and if anyone rang when they were playing on the telly, don't expect the phone to be answered and if mum did answer it would be a brief conversation.

Judy loved living in Woodanilling and was reluctant to move to Katanning for a long time even though they had bought a house there. Even after they moved from Woodanilling it was still the place they called home in their hearts.

Judy loved her grandkids and when Darren was small and Cindy was still working part time at the local Shire office, Judy would babysit him and as he got older he would go with mum out to moved John from farm to farm.

After the Wade and Shaun were born, Judy and John regularly had the boys as they grew older come and stay the day or weekend to "help" Gran and Pa. They enjoyed many trips around the local area and around the Woody town site, even learning to drive out in the paddocks while Dad was working.

Judy was thrilled to become a great gran when Darren and Sandra had their two sons Tawanda and Tadiwa.

After John passed, Judy's zest for life and general health declined, until she could no longer manage on her own in Katanning.

She lived with Cindy for several months until Judy eventually moved into a nursing home in Albany, where her health failed and she passed on the 4th August, 2021.

IN MEMORY OF ALICE NELSON

Alice may Nelson 05.10.1939 – 07.03.2019

Loved family member of Ingrid and Rachael Nelson

Nan to 6 and great Nan to 1

Served as Woodanilling bus warden for the primary school for many years

Was a major part of Boot scooting with Jan Noonan

Lived and loved the community spirit

Dearly missed always and forever.

WOODANILLING RANGERS HOCKEY CLUB INC

OCTOBER 2021

The 2021 hockey season is now completed.

Mens B Grade– Woodanilling v Dumbleyung

Dumbleyung secured the Upper Great Southern Hockey Association's men's B-grade premiership in epic fashion over Woodanilling on Saturday.

With scores level at the end of full-time, the grand final went into 15 minutes of sudden death golden goal where both teams had their chances to win but the final siren sounded to end extra time.

The decider went to the best of five ones-on-ones and Dumbleyung prevailed narrowly 3-2, making amends for last year's grand final defeat.

Dumbleyung had an early two-goal lead but Woodanilling pegged them both back with the score 2-2 when the game went to golden goal.

Junior Middle School– Woodanilling v Tigers

Woodanilling finished their season with a well-deserved premiership in the middle school competition after defeating Tigers 2-1 in the grand final on Thursday night.

A penalty corner conversion from James Shackley got Woodanilling away to a perfect start.

The ball spent plenty of time in the midfield in the second term and the third quarter was very similar but with only six minutes left in the game Tamzin Pederick levelled the score.

However, Woodanilling replied with 90 seconds on the clock after a great field goal from Eden Bairstow.

Tigers went back into attack but the final siren sounded to hand Woodanilling a tense victory

James Shackley was named MVP.

Any queries please direct queries to our committee and coaches:

LOOKING FOR WORK

Recent Ag student graduate looking for any work on a header or chaser bin. I have experience working on my own home farm and driven chaser bins in previous harvests. I have my own vehicle and license.
