SHIRE NOTES

ANZAC DAY

The community came together to commemorate ANZAC Day 2022.

The day provided an opportunity for the community to come together and honour those who have served, and those who continue to serve in Australia's armed forces. A huge thanks to the ladies at the CWA for organising and creating such a beautiful day. Thank you to all those throughout Woodanilling and surrounding who came together and embodied the spirit of the ANZAC to deliver this important event.

The Shire acknowledges Shire President Stephen Jefferies, Deputy Shire President Russel Thomson, Joel Anyon, Ray Baxter, Sue Waters and again Barb, Pauline and the amazing CWA ladies for their participation in bringing the morning together.

Pictures on CWA page

HEADING IN TO WINTER

With winter creeping up on us we encourage members of the Woodanilling community to make sure you remain prepared for the coming months. Do a maintenance check on your vehicles if not completed already - Check your tyres, lights, window wipers and internal workings to ensure safety when on the road.

- Drive with your headlights on so you are visible to other drivers
- Slow down - especially when unsure, it's a great idea to slow down and take it easy so you don't become a risk to yourself or others given the wetter setting.

With that we also encourage you to clean your gutters to prevent leaks, floods or overflow on your property. We hope this winter season treats you kindly.

FEDERAL ELECTION

Voting for the Federal Election on 21st May 2022 will be held at the Woodanilling Town Hall from 8am to 6pm

MOTHERS DAY

Wishing mothers everywhere a Happy Mothers day this coming Sunday 8th May 2022

WOODY RANGERS

Hockey season is finally upon us, below are all the listed home games. We encourage you to go down if you find time and support our teams.

- Saturday 28th May from 11am - 6.30pm
- Saturday 11th June from 11am - 6.30pm
- Sunday 12th June from 1pm - 4pm (only 1 fixtured game)

SHIRE NOTES

WORDS FROM OUR SHIRE PRESIDENT

It gives me great pleasure to inform you all what has been happening in and around the Council. April has been a busy month, as President I've attended Understanding Financial Reports and Budget workshop induction with Councillor Smith. Having the opportunity to MC on ANZAC Day which was celebrated and was well represented by the community with a great turnout. Over 70 people attended Anzac Day in Woodanilling, whilst enjoying the CWA's morning tea after the ceremony.

Other meetings attended was the local Bush Fire Advisory Committee and visiting Gnowangerup for the WALGA Zone. Where the local governments representing the Great Southern Region meets to discuss the strategic directions. The opportunity to visit the other towns in our region, gives insight into the achievements of their current projects and what they are doing for their residents and ratepayers, whilst providing some great ideas for what we can do to enhance our own community.

It must be acknowledged that the new Town Hall ramp is now in its final stages of completion and will have the ability to allow side access with full ramp facilities for those that require them. Other areas of interest is that council is submitting a grant to increase the town water supply. Please watch this space as we progress through the grant application process.

The Community Development Committee and the Town Enhancement group recently met and enjoyed morning tea, with the members being introduced to Mrs. Kellie Bartley (CEO). This gave the opportunity for all to be able to workshop some great ideas and actions for the town site.

All elected members went on a bus trip around the district, looking at our roads, culverts and current state of the trees aligning roads. The Shire will continuously work towards the up keep of these and are making plans in the 2022/2023 budget along with some long term planning.

Shire President Stephen Jefferies.

SHIRE NOTES

NEW TOWN HALL WHEELCHAIR AND LOADING DOCK ACCESS

ROAD WORKS RECENTLY COMPLETED

The Shire and an external contractor has recently completed sections of Robinson Road under the Regional Road Group Funding scheme. The works have now been completed. Work will continue around the Shire over the forward annual budget.

The Shire has made an application for Road Works to be completed on sections of Oxley Road (Katanning-Dumbleyung Road) & culvert work on Onslow Road. We thank you for your patience when we do undertake road works in the district.

COVID-19

Public health and social measures to ease

Thanks to the efforts of the WA community and based on health advice, public health and social measures will ease from Friday 29 April from 12:01am, as Western Australia's soft landing has been secured.

2sqm rule removed

Capacity limits removed

G2G Pass no longer required

Masks continue to be required for everyone aged 12 years and older (including year 7s) on public transport, in airports and aircrafts, hospitals, aged and disability care, and correctional facilities

Proof of vaccination removed from venues and businesses, but remain for aged care and hospitals. Mandatory workplace vaccination requirements remain

Two visitors per resident per day at hospitals, residential aged care and disability care facilities. In addition, essential visitors also allowed at hospitals

Close contacts with no symptoms no longer required to isolate, but must wear a mask when leaving the house, avoid high-risk settings, take a daily RAT for 7 days, work from home where possible, avoid non-essential gatherings and inform your employer

To help keep WA safe:

Stay up to date with your COVID-19 and flu vaccinations

Wear mask, just because you should

Wash and sanitise your hands

Get tested if unwell

WAGIN / WOODANILLING LANDCARE ZONE

Autumn Fauna Survey Program

We have begun our fauna survey program for the Autumn period. This survey is aiming to get a better picture of what species we have around on private properties.

We have funding from the State NRM Office which is helping us to educate the community on some of the lesser known species we have out in our bush, as part of that funding, we are offering surveys on private properties to find out what you may have living alongside you!

We have completed 2 sites so far. One has a great population of Red-tailed Phascogales, scats and tracks indicate a good number of echidnas and possums as well. We didn't trap any of the lesser known focus species such as dunnarts and mardo, but the presence of Red-tailed Phascogales in this location, adjacent to a reserve surveyed for Phascogales successfully in 2007 indicates that this location has a robust population on land that is not currently managed for wildlife, which is great news!

We have had a break during Easter and Anzac Day, and will be back to it start of May. If you are keen to find out what lives around you, we can coordinate a survey on your place.

Get in touch with Gen to find out more.

**Primary Industries and
Regional Development**

Feed 365 Pasture Trials

Sowing has begun on our Feed 365 trial. A plan has been established that will examine whether gaps in quantity in autumn, and quality in spring, can be improved through use of a mixed pasture/cereal program, which will be run over 3 years.

The plan will examine 5 options, each of which is a large paddock scale (10—25ha) plot:

- Intensive species mix (common vetch, serradella, forage cereals), dry sown
- Teder perennial legume pasture
- Summer sown French serradella pod, dry sown forage cereal mix (triticale, barley, oats) before break of season
- Twin sowing of French serradella pod with cereal crop
- Control subclover paddock

Once Food on Offer (FOO) is assessed to be 800 kg/ha, sheep will be introduced. The number of sheep will be adjusted according to paddock area but be based on a fixed stocking rate of approx. 10 DSE/ha in winter and up to 20 DSE/ha for grazing in spring (the number of animals per treatment will range between 250 and 500). Sheep will be removed if FOO falls below 800 kg/ha.

Sheep measurements will be taken of liveweight and condition score at the commencement of grazing, after 6 weeks and after 12 weeks should sheep remain in the paddocks for that length of time. Date of grazing will be recorded for calculation of grazing days. Paddocks maybe grazed in spring if sufficient FOO is available, with similar measures of liveweight change and condition score.

Soil testing of plots will also be included to assess the status of biology. The Teder paddock will take some time to mature before grazing can commence, so this is likely to be include in the 2023 investigations.

We will be hosting field days around this program, so keep an eye out for notification to stay up to date.

WAGIN / WOODANILLING LANDCARE ZONE

Weeds

We will be starting to see the emergence of weeds such as bridal creeper now that we have had a bit of rain.

The most common property weeds that folks ask about in our office, would be bridal creeper and cape tulip.

Cape tulip is still a little way off emerging, with 2 different varieties (one leaf cape tulip, 2 leaf cape tulip) found that erupt from around June onwards, but it does pay to be mindful before you see it and plan for it later in the year.

Bridal creeper has started poking its stems out above ground now, so it is a good time to note where patches are on your property and follow up when treatment time is best suited

Gen has an array of information in the office on best practices to manage weeds, whether you run a broadacre enterprise, or have an outbreak in your back yard.

Reach out the the office and we can give you information and access to resources to help you manage your weed problems.

National Road Safety Week 2022

15 - 22 May

**GET INVOLVED THIS
NATIONAL ROAD
SAFETY WEEK**

From 15 – 22 May, we remember those we have lost on our roads and commit to #DriveSoOthersSurvive.

Show support by checking out your local buildings and bridges lit up in yellow, displaying a yellow ribbon on your vehicle, taking a pledge to drive without distraction, participating in socially distanced or virtual events and talking about safe driving.

roadsafetyweek.com.au

WOODANILLING MEN'S SHED
Corner Robinson and Burt Road
Woodanilling 6316

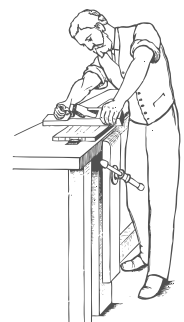

As mentioned in our last news we had a couple of grant applications in play.

It is pleasing to advise that we have been successful in two of these applications. Thanks to the generosity of CBH we have received a grant which will enable the partial purchase of a dust extraction system to improve the health and safety of the members. This money will be used to partially fund the purchase of a Cyclonic Dust Extractor.

Our second application to the Woodanilling Sports and Recreation Association was also very successful and we look forward to the purchase of a new welder and associated welding safety apparel. Additionally we will also be able to move our steel undercover with the purchase of steel racking. They have also agreed to assist with the completion of the dust extractor with funding for associated equipment. Many thanks to them.

We are still looking for minor projects and have been asked by the Shire and CWA to quote for smaller maintenance jobs. We are always on the lookout for new members. Yearly membership is only \$40.00 It is used mostly to cover our insurance premiums to ensure we are all covered. We are open and welcome new members Tuesday and Wednesday mornings from about 8.30am till noon, although finish time is flexible according to the weather and how we are feeling.

You can contact us at the Shed or by phone;
President: Brian Paddon 04073387010
Vice President: Steve Fitzpatrick 0410393296
Secretary: Rod Marshall 0437014941 (leave a message)

National Hockey Tournament Update

Recently WA Hockey sent 8 teams to compete in the 2022 U18 Men's and Women's and U15 Boy's and Girl's National Hockey Tournament. The U18 Tournament was held in sunny Cairns, Qld, while the U15 tournament was held in sometimes sunny, but mostly wet, Newcastle, NSW. In each age group, there were a total of 12 teams from across Australia.

Those wanting to attend were put through a series of trials which were conducted over three days in Feb. Following this, selected players had to attend up to 2-4 trainings per week depending on their age group. The WA U18 Men were privileged enough to play four games against the Hockeyroos (Australian Women's Team). This opportunity really enhanced their game development.

Two Woody Rangers Hockey Club members were lucky to be selected for the tournaments. Shaun Shackley was selected in the U18 Black team which was coached by Stu van Selm and assisted by Rhys Angwin. James Shackley was selected in the U15 Black team which was coached by Keith Old and assisted by Donna McKeowan.

Leading up to the tournament there was a constant worry about whether or not the tournaments would go ahead due to the ever presence of Covid-19. In previous years, both Shaun and James had been selected for State hockey but unfortunately missed out because of cancellations due to Covid-19. Thankfully this wasn't the case this time and both boys were able to compete. They thoroughly enjoyed their hockey tournaments and have both learnt a great deal which they will be able to apply to their club hockey.

End of tournament placings;

U18 Men; WA Gold 1st, WA Black 6th

U18 Women; WA Gold 4th, WA Black 10th

U15 Boys; WA Gold 2nd, WA Black 10th Also awarded the "Play the Whistle" award.

U15 Girls; WA Gold 2nd, WA Black 8th

Shaun Shackley celebrating a goal
against Victoria in the U18
tournament.

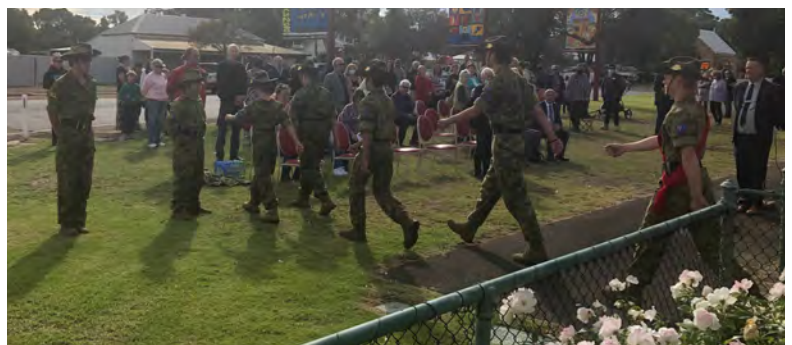

James Shackley celebrating a goal
against Victoria, in the U15
Tournament.

WOODANILLING CWA

It was heartening to see a good turnout at the Anzac service yesterday, particularly the number of young people paying their respects. The CWA is a wonderful organisation that embodies the spirit of mateship and community support that is exemplified by those who fought in wars gone by and those fighting today to make the world a better place. Women don't necessarily have to take up arms to be at the front line - tirelessly working behind the scenes is what many women have done and continue to do. We are so lucky in this country but commemorating such an event as Anzac Day puts our good fortune in perspective. Lest We Forget.

WOODANILLING PLAY GROUP

Playgroup meetings are held every Thursday at the Woodanilling Pavilion 9:30am. We currently have a Facebook messenger group for existing members to stay connected and a WHATS App Group. If you would like to enquire or join please contact Kahlia 0439 754 391 or Brooke 0437 313 060. Alternatively visit the public Facebook page called Woodanilling Playgroup.

WOODANILLING COMMUNITY CHURCH

NEW YEAR, NEW tactics.

For the people who would love to come to church, but love their Sunday morning sleep in. We are now having a church service at 3pm on the 3rd Sunday of the month

Come and give praise to God . And feel the holy spirit uplift your soul and take away your fears. There is magic happening in this church. Be apart of it.

AUTUMN RECIPES

INGREDIENTS

695g tub apricot halves in juice
4 sprigs fresh rosemary
2 tbsp French onion soup mix
1 tbsp extra virgin olive oil
1kg Chicken Drumsticks
500g baby potatoes, halved
1 red onion, cut into thin wedges

Step 1

Preheat oven to 200C/180C fan-forced. Grease a large baking tray with sides. Line tray with baking paper.

Step 2

Drain apricots, reserving 1/3 cup juice. Remove leaves from 1 rosemary sprig. Finely chop. Place soup mix, chopped rosemary, oil and reserved juice in a jug. Stir until well combined. Arrange chicken, apricots, potato and onion, in a single layer, on prepared tray. Drizzle over soup mixture. Season with salt and pepper.

Step 3

Bake, turning chicken and adding remaining rosemary sprigs halfway, for 45 minutes or until chicken is cooked through and potato is tender. Serve.

INGREDIENTS

1.3kg Australian Pork Belly Roast Boneless
1 tbsp olive oil
1 tablespoon sea salt flakes
1 tsp fennel seeds
1 tsp cumin seeds
1 brown onion, cut into wedges
1 fennel, trimmed, cut into wedges
1 cup (250ml) salt-reduced chicken stock
200g pkt Kalettes, trimmed
200g brussels sprouts, halved
3 tsp brown sugar
3 small red apples, halved

Step 1

Preheat oven to 140°C. Place pork on a clean work surface. Pat rind dry with paper towel. Brush rind with half the oil. Sprinkle with salt, fennel seeds and cumin seeds. Place the onion and fennel wedges in the base of a roasting pan. Place pork, rind-side up, over the onion mixture. Pour stock around the pork in the pan. Cover and roast for 2 hours or until pork is very tender.

Step 2

Increase oven to 230°C. Uncover and roast for 30 mins or until rind is crackled. Cover and set aside for 15 mins to rest.

Step 3

Meanwhile, combine the kalettes, brussels sprout, 1 teaspoon of the sugar and remaining oil in a roasting pan. Season. Sprinkle cut side of apple with remaining sugar. Add to kalette mixture in the pan. Roast at 230°C with pork, turning occasionally, for 20 mins or until tender.

Step 4

Arrange the pork, onion mixture and kalette mixture on a large serving platter. Thickly slice the pork to serve.

INGREDIENTS

450 g Box Cake
180 g white cooking chocolate
2 cups icing sugar
2 1/2 tbsp boiling water
1 cup hundreds and thousands

MOTHERS DAY CAKE POPS

Method

Process cooked cake in a food processor until coarse crumbs form. Melt the chocolate in a heatproof bowl over a saucepan of simmering water (make sure the bowl doesn't touch the water). Stir until smooth. Add the cake crumbs and stir to combine.

Roll level tablespoons of mixture into balls, squeezing firmly as you roll. Place the hundreds and thousands on a plate. Combine the icing sugar and boiling water in a small bowl. Use 2 forks to carefully dip a truffle into the icing to coat. Tap forks on side of bowl to remove excess (you only need a very thin coating). Carefully roll in hundreds and thousands to coat. Transfer to a tray. Repeat with remaining truffles, icing and hundreds and thousands.

Set aside to set. Place in an airtight container and store in the fridge for up to 3 days.
