The Australian Fire Danger Rating System

COMING SEPTEMBER 1

The Australian Fire Danger Ratings (AFDRS) levels are:

MODERATE

Plan and prepare

HIGH

Be ready to act

EXTREME

Take action now to protect life and property

CATASTROPHIC

For your survival, leave bushfire risk areas

The AFDRS will also introduce a new Fire Behaviour Index – a scale of fire danger that takes the latest in fire science and produces outputs across eight different fire behaviour models (compared to the existing two fire behaviour models). Providing fine detail, it will support decisions about fire preparedness and bushfire suppression.

The Australian Fire Danger Rating System (AFDRS) Program is redesigning the forecasting of fire by

- Improving the scientific accuracy behind fire danger predictions.
- Improving the way that fire danger is communicated.
- Providing government and industry with better decision-making tools.
- Reducing the costs associated with bushfire impacts.

For more information speak to:

Or visit: www.afac.com.au/initiative/afdrs

This is a national program funded by the Commonwealth and all the States and Territories and delivered by local implementation teams. The AFDRS is being coordinated by NSW RFS and AFAC (the National Council for Fire and Emergency Services), with support from the Bureau of Meteorology. A National Program Board, with representation from each of the State and Territories' fire agencies, is overseeing the program.

WORDS FROM THE SHIRE PRESIDENT

This is just a message from your President, Counsellor Stephen Jefferies. Welcome to Harvest Season.

The last two months have been busy attending Local Government Week with the topic being “Embracing Change”. Embracing Change can come in many forms, and the Shire has been on this journey.

Leading forward with the Community Strategic Plan and engagement over the coming months, I ask you to come forward to ideas for “Embracing Change”, looking at enhancing the support of our businesses, residents, ratepayers and those entering into our district.

With this, it has been lovely to see the number of new faces that are making “Woody” their next move. I have had the pleasure to meet people who are either building or buying property within the Shire, it is fabulous that they have decided to embrace our sense of pride and community.

This month was lovely for the Shire to conduct its Ordinary Council Meeting held at Kenmare Hall. The afternoon and evening was received extremely well by the ratepayers and landholders in the region. The Shire is looking forward to the activity the Community Development committee is working on with local roads and community infrastructure programs including the Heritage Trail, signage, solar lighting and town walk trail.

It is such a pleasure to let you know that the Community has been successful to be in two categories for Tidy Towns process. We have been fortunate to be represented in two award categories as finalists: Heritage and Culture and General Appearance. The winners will be announce in Perth on 25th November. We are looking forward to the outcomes of this evening event. I wish to lastly thank Annabel, Kenmare Hall Committee, TEG group, fellow Councillors and staff for their efforts in this opportunity.

Shire President
Cr Stephen Jefferies

FIRE BREAK COMPLIANCE 2022

It's that time of year again and with the continual rain events property owners will need to remain diligent during prohibited period to keep their property fire safe.

Pursuant to Section 33 of the Bush Fire Act, 1954 you are required to observe all requirements of the Woodanilling Fire Break Notice. If you don't have a copy of this document please call into the Shire office and you will be provided with one.

During the period from 19th September to 15th April all property owners within the Shire of Woodanilling are required to follow the directions of the Woodanilling Fire Break Notice relating to your property zoning. If you are not sure about what zone your property comes under please call the Shire office 9823 1506 and the friendly staff will be happy to assist you.

The whole of shire inspections will take place after the 15th November 2022. Fire Control officers will complete the farming property inspections and the Town site including Whispering Winds will be inspected by the Central Brigade Captain and a Shire Staff member. If you are unable to have your property compliance completed by this date you will need to contact the Shire Office and notify the Deputy CEO at shire@woodanilling.wa.gov.au. You will need to provide a date by which it will be completed.

Magpie Season

Please be aware that magpies are swooping at this time of year, so keep your head and your children's head protected. Wear a hat and put on sunglasses, even be prepared with an umbrella. Never deliberately provoke or harass a magpie as this can make them more defensive. Swooping season lasts around 6-8 weeks.

ANIMAL REGISTRATIONS

Dog and Cat Registrations are due for renewal on the 31 October 2022. Reminders have been sent out. Should you need to register your animals, please come into the office. For any further information feel free to contact the Shire - we are always happy to help. 9823 1506

SHIRE NOTES

BUSH FIRE SEASON

Restricted burning period started on the 19 September through to 31 October. Permits are required during this period and can be obtained from your nearest Fire Control Officer. Fire Break notices have been posted out with each Rates Notice. Property compliance inspections are due to take place after the 15th November so make sure you have your property prepared.

Grant funding success!

natural resource
management program

Pig control contractor—\$190,000 over 3 years

We are happy to announce that we have been successful with our last State NRM grant round and will be able to conduct significant pig control activities across both the Arthur and Beaufort Rivers over the next 3 years.

We have been working with a local contractor over the last few years on promoting feral pig awareness and sharing information, and we are now going to be getting Daniel on the ground for 6 months of each year for the next 3 years to eradicate pigs along the riparian zones.

The feral pigs cause significant damage to Red-tailed Phascogale habitat with their foraging and wallowing behaviour, potentially removing a vital food resource for the native species in the future.

We are still going to be engaging with landholders as the pigs will take a lot more than 3 years to remove from the area with the massive increase in numbers we have seen in the last 3 years.

We would like to thank the State NRM Program for their continued commitment to State environmental projects.

WAGGIN/WOODANILLING LANDCARE ZONE

Successful Nightstalk

Our nightstalk ran on Thursday 6th was a great success!

A heavy downpour just prior to us heading out saw a few people pull out, but the faithful that came along were rewarded with both a clearing of the skies, and an abundance of wildlife.

We had thermal cameras in use for this event which was a significant advantage in being able to spot wildlife, though the distances did make it difficult to be sure exactly what we were seeing unless we could get up closer.

The group spread out and different people saw different critters with some scat hunters out and about too. (scat being the term for animal poo!) We ended up with quite a list of species viewed. Phascogales, several possums, several species of frog including the extremely chilled species Western Spotted Frog... (my personal favourite) who can grow very large and is not too perturbed about humans. We saw bats, a variety of interesting insects and in the river via the thermal camera, we saw what we hope was a native Water Rat (or Rakali) but couldn't confirm up close.

Following that we toasted some marshmallows round the fire and headed home. A huge thank you to our hosts Brad and Robyn Flett for allowing us to enjoy their land of Plenty!

WAGIN/WOODANILLING LANDCARE ZONE

Feed 365 Field Walk

On the 13th Oct we hosted the first of our field walks for our Feed 365 pasture demonstration site.

We had a small but engaged group of producers and industry personnel attending and saw some good questions come out of the group.

In the pictures you can see that we had more feed than we could utilise during this autumn feeding, and could have doubled the numbers of sheep that we had on the paddocks. We will be looking to spray top these paddocks to rejuvenate their grazing each site has a different strategy for the next growing season, including re-sowing, harvesting serradella seed and adding new forage cereals.

If you would like to know more about what is happening out at this site, you can get in touch with Gen at the office, and we have some early grazing and soil data we are happy to share.

PRINCIPAL'S ADDRESS

Hello everyone, my name is Miss Anderson and I have come from Settlers Primary School in Baldivis, Perth - a school just shy of 700 students! I feel very fortunate to be joining your school community for Term Four and calling the Wheatbelt home for the next ten weeks. I would like to take this opportunity to thank Miss Kelly Hogg for her commitment and leadership of Woodanilling Primary School and wish her all the very best for her return to Narrogin Primary School. A little about myself; I love playing AFL and have enjoyed kicking the footy with the students at Recess and Lunch. I am passionate about all things learning and teaching and am looking forward to our term together. If you can, please come in and say hello.

Please know my door is always open. I look forward to meeting you and working alongside you, your children and the wider community.

TERM FOUR

Welcome to Term Four! I hope you all had an enjoyable and restful break. What an exciting, action-packed term we have ahead of us.

KATANNING AGRICULTURAL SHOW

The annual Katanning Agricultural Show is this Friday and Saturday at the Katanning Leisure Centre. Our students and staff have been working tirelessly to construct a display which we are very proud of.

Together, we cannot wait to share our work with our community. A huge thank you to our students, Mrs Jagers, Mrs Hannan, Miss Fidler and Mrs Evans for their creativity, dedication and passion. Our incredible P&C will be hosting a burger stall at the show, and we thank them for their continued efforts in supporting our school and our community!

SIGNING IN AND OUT

Please be reminded, students needing to leave early for appointments are to be signed out through the front office before being collected from the classroom.

Similarly, if your child is late and arriving after 8:45am, they are required to sign-in through the office before entering the classroom. We appreciate your understanding and support.

SWIMMING LESSONS

Our wonderful Mrs Kippin has confirmed, Swimming Lessons for 2022 will be running throughout Week Five and Six commencing **Monday, 07** and concluding **Friday, 18 November**. Please keep an eye out for further information relating to this.

KINDY TRANSITION DAYS

We are currently planning our upcoming Kindy Transition information sessions. Official dates and times will be communicated once we have each session confirmed. Please be advised, these sessions are not confined to Kindy parents. We invite all parent and community members to attend should they wish!

Important Dates

Tuesday 11th October – Thursday 15th December

SCHOOL NEWS

VOLUNTARY CONTRIBUTIONS

As you would be aware, government schools do not have school fees. What we have instead is a system called Voluntary School Contributions.

At Woodanilling PS, this is set to \$45.00 a year for each student.

We use these funds to supplement a range of resources and consumables for students such as: cooking and science ingredients, art and craft materials and

teaching

aids to support learning across the curriculum.

To pay your contribution, you can either pay online via direct debit to:

Account Name: Woodanilling Primary School

BSB: 066 040 **Account Number:** 1990 0217

If paying via direct debit, please include the child's family name in the description. If you would like to pay via cash or cheque, please come to the front office where Tracey will be able to assist you. Thank you for your support.

P&C NEWS

KATANNING SHOW FUNDRAISER

The P&C are again going to be cooking and selling the best burgers at the katanning show. We are going to be selling chips as well as our normal drink range.

We are located in the shearing shed and will be serving from 7am -10pm on Saturday 22nd Oct.

We are still looking for a few donations of fizzy drinks and water bottle, please contact me on 0476601399 if you can help with that.

SWIMMING LESSONS

P&C will be supporting the cost of the bus for the children to attend swimming lessons in Katanning throughout week 5 and 6.

CHRISTMAS TREE EVENT

We are also holding the xmas tree event in the park at the end of the year, watch this space!

CONTAINERS FOR CHANGE

The P&C is now registered for the Containers for Change

program. Containers for Change is a recycling program which rewards the collection of eligible containers with a refund of 10c per item. Items can be collected and delivered to a refund point in Katanning or Wagin, at which you can nominate the P&C as your donation recipient using our Scheme ID: **C10326397**

SCHOOL COUNCIL

Your Woodanilling Primary School Council currently consists of 8 members who represent the Parents, Staff and P&C. All members are available should you have any concerns, questions or ideas about Woodanilling PS.

Our next meeting will be held in Term 4, date to be confirmed.

Feel free to contact me at any time on

bindimurray@gmail.com. We are here for you, your children and our community.

Bindi Murray

School Council Chair

FROM THE CLASSROOM

Welcome back to term 4. I hope you all enjoyed your holidays.

We are loving our supermarket and we are learning about the different roles that are required to make it run. We enjoy pricing the items to sell, using cash and debit cards. We draw and write our shopping lists and receipts.

We are enjoying making Eric Carle art- looking at his painting techniques and we have made sheets of paintings using his techniques. We are going to create a scene that contains texture.

Students had to think about what equipment can be used to make their coloured pattern paper. What are collage tools? How can they overlap a shape. How can they create a background and a foreground in their picture.

They chose between a seahorse, cricket or caterpillar.

For health we are learning about healthy living. We are looking at what makes a person healthy and to develop a vocabulary for describing fruit and vegetables while expanding their knowledge of varieties.

In Protective Behaviours we are revising the content of the unit.

CHAPLAINS CHAT

Chappy's Chat.....

Friendship Tree at Katanning Show

Aussie Optimism is a program that is implemented in schools that focuses on the social and emotional while developing strong friendship skills in students.

Emotional well-being and relationships are so closely linked, and we would like to invite you to help us build our "Friendship Tree". We have a stall at the Katanning show and would love as many people as possible to add their ideas of what friendship means to them. We would love to hear what people are thankful for as well as suggestions for acts of kindness that we can do for those around us. I will be there most of Saturday so please drop in and say hello and encourage others to drop in too.

Take care...Chappy

SCHOOL NURSE

Healthy eating

Healthy eating habits start early and set children up for life.

Make healthy eating an everyday priority that becomes a family lifestyle.

Set a good example for your child by modelling healthy eating habits and daily activity.

Plan 3 main meals for your child each day. Include lots of vegetables, some reduced-fat dairy products, some meat/chicken/fish, legumes or egg, and wholegrain cereal foods.

Between meals, offer 1 or 2 small nutritious snacks such as cut-up fresh fruit and vegetables, reduced-fat yoghurt or wholegrain crackers.

Drink lots of water. Avoid sugary drinks (including juice).

Limit foods that are high in sugar, fat or salt. Only offer these occasionally.

Eat meals together at a table, with the TV and other electronic devices turned off.

PLAYGROUP

This morning Woodanilling Playgroup joined us for a fun morning of activities. We love the vibe they bring to our school.

The Woodanilling Men Shed

We recently said goodbye to our long time member, President and Vice President Keith Schurmann. Keith has been a valued member of our Shed and has served on the Executive Committee for every year since our establishment in 2013. We wish Keith all the best in his future endeavors and welcome him back for a visit when ever he feels the need. A farewell was held at the Men's Shed after the AGM and Keith was presented with a Life Membership.

We have some upcoming projects which include the painting of the local post office. At our AGM all current office holders were re-elected unopposed, which is no great surprise. Getting people to volunteer to do the paper work, good luck with that. We are always on the lookout for new members. Yearly membership is only \$40.00 It is used mostly to cover our insurance premiums to ensure we are all covered for any unforeseen circumstances. We are open and welcome new members Tuesday and Wednesday mornings from about 8.30am till noon, although finish time is flexible according to the weather and how we are feeling.

You can contact us at the Shed or by phone;

President: Brian Paddon 04073387010

Vice President: Steve Fitzpatrick 0410393296

Secretary: Rod Marshall 0437014941 (leave a message)

Can you believe that it's November already? Despite our small numbers, we have been busy behind the scenes in the catering sphere. Unfortunately our celebratory get-together was cancelled due to a low response. The way we are travelling as an organisation, it is becoming difficult to operate and we made a decision at the October meeting that we will not cater for the annual Woodanilling Seniors Christmas Lunch. There are opportunities in Katanning to join in Autumn Club which meets for a two course lunch on the third Wednesday of the month. November's meeting will be Christmas dinner. In December, the Katanning Lions Club puts on a Christmas Lunch too.

On a brighter note, Woody Playgroup will be using the cottage on a Thursday, once a fortnight, and bring the patter of younger feet (Mums and Bubs) to the old floorboards! This will also give access to the Bookswap Shop as well. So on the alternate fortnight, you can come and browse, have a coffee and a chat - someone will be there to greet you. We also will be networking with Wagin and Nyabing CWA groups. The school Christmas Tree event is also looming on the December calendar.

Contact Barb Ashby or Pauline Edgcumbe for Information regarding CWA Woodanilling.

WOODANILLING COMMUNITY CHURCH

For the people who would love to come to church, but love their Sunday morning sleep in. We are now having a church service at 3pm on the 3rd Sunday of every month.

Come and give praise to God and feel the holy spirit uplift your soul and take away your fears. There is magic happening in this church. We invite you to come and be apart of it.

More info contact- Marion Taylor 0422 447 857

SHORT MAT BOWLS

Our new season competition began 3 weeks ago and, as of yesterday, the lead is with Ray Baxter. He's bowling consistently well. We've attracted a new member to the group and Maureen brings her bright personality to Woody every Monday afternoon. Come and join us for a bit of fun, cuppa and a chat - 2.00 til 4.00.

Some members of our group have also competed in the very enjoyable social Corporate Bowls event in Katanning on a Friday night. The Woodypeckers have won and lost one game all in the name of FUN!!!! Skill is not what it's all about. You just give it a go!

Contact Rod Marshall for details regarding Monday Carpet Bowls.

PLAYGROUP

Playgroup meet weekly and alternate between the School, Park, Rec Centre and CWA building. For more information please contact kahlia 0439 754
