The Australian Fire Danger Rating System

COMING SEPTEMBER 1

The Australian Fire Danger Ratings (AFDRS) levels are:

MODERATE

Plan and prepare

HIGH

Be ready to act

EXTREME

Take action now to
protect life and property

CATASTROPHIC

For your survival, leave
bushfire risk areas

The AFDRS will also introduce a new Fire Behaviour Index – a scale of fire danger that takes the latest in fire science and produces outputs across eight different fire behaviour models (compared to the existing two fire behaviour models). Providing fine detail, it will support decisions about fire preparedness and bushfire suppression.

The Australian Fire Danger Rating System (AFDRS) Program is redesigning the forecasting of fire by

- Improving the scientific accuracy behind fire danger predictions.
- Improving the way that fire danger is communicated.
- Providing government and industry with better decision-making tools.
- Reducing the costs associated with bushfire impacts.

For more information speak to:

Or visit: www.afac.com.au/initiative/afdrs

This is a national program funded by the Commonwealth and all the States and Territories and delivered by local implementation teams. The AFDRS is being coordinated by NSW RFS and AFAC (the National Council for Fire and Emergency Services), with support from the Bureau of Meteorology. A National Program Board, with representation from each of the State and Territories' fire agencies, is overseeing the program.

WORDS FROM THE SHIRE PRESIDENT

Welcome to you all after the festive season. The Shire is looking forward to the 2023 year with many aspects of community engagement on our minds.

We welcome Mike Hudson, Executive Manager Infrastructure who comes to us with 10 years experience in Local Government with considerable infrastructure knowledge and dealing with heavy use of harvest roads, bridges, culverts and general maintenance programs.

The Shire is excited to commence Community Sessions to help identify the strategic long term visions for the Shire. We will be shortly having our Annual Electors Meeting to adopt the Annual Report..... so please watch this space, as my fellow Councillors and I enjoy the positive feedback we received at the previous meeting.

Roads, Roads, Roads are a significant area for the Shire and with Kellie & Mike, the preparations for the 2023/2024 roads program will start shortly.

The Railway Precinct will finally be completed by the end of June 2023, something that we are all looking forward too.

I want to wish all the residents the best for the 2023 year and look forward to sharing some new and exciting times ahead.

Shire President
Cr Stephen Jefferies

SHIRE NOTES

2023 AUSTRALIA DAY BREAKFAST

The 2023 Australia Day Breakfast was another successful community event, with attendance of 140 people of all ages. The breakfast that was prepared and served by the Shire of Woodanilling Council went down a treat.

Council would like to take this opportunity to thank our recipients of the Australia Day Awards and acknowledge the volunteers that worked in the kitchen, on the barbeques and helped with the set up of the day.

Award Winners

Active Citizen of the Year Award (Over 25) – Penelope Shackley

Community Sports Star of the Year (Over 25) – Graham Treloar

Community Long Service Award– Dale Douglas

Community group or Event– Woodanilling Primary School - 120 Year Celebration

SHIRE NOTES

SHIRE NOTES

NEW EXECUTIVE MANAGER OF INFRASTRUCTURE

The Shire Mike Hudson to the position of Executive Manager Infrastructure. Mike started at the Shire beginning of February and also attended the Australia Day event. Mike has been in Engineering for 43 years and in those 43 years he has had 20 years experience with Main Roads working on roads and bridges, 13 years in Private Industry and 10 years in Local Government in an Executive role. He has managed the Fascine Foreshore project in Canarvon, Memorial Park redevelopment in Pingelly, numerous bridges and underpasses, highway and freeway construction, foreshore protection freeway among many other projects.

CEO Kellie Bartley says 'I'm excited to be working alongside Mike with Sue, along with Elected Members on the future of Woodanilling. I am looking forward to finalising historical works and the new management team is looking forward to future opportunities to enhance and grow the community, road network, along with lobbying to benefit our community. Welcome Mike to the team!'

Mike will oversee the management of the Shire's Infrastructure & Development Services in accordance with statutory requirements and Council policy. A key focus of this position is project management and the local roads civil construction and maintenance program.

2023 COUNCIL MEETING DATES

Woodanilling Shire wishes to advise the following dates for the 2023 Ordinary Meetings of Council starting at 4pm to be held at the Council Chambers 3316 Robinson Road Woodanilling. Two meetings will be held within the district. These dates are to be confirmed.

PLAN AHEAD: STAY CONNECTED IN A DISASTER

While telecommunications providers prepare for natural disasters, no form of communications technology is 100% resilient in an emergency or natural disaster. The infrastructure that makes our communications work such as mobile phone towers/ base station can be directly damaged or experience interrupted power supply during a natural disaster.

This can happen quickly and without power, your home phone, internet modem, laptop or mobile phone may not work.

Think about how you will communicate if your mobile, landline and internet services are not available.

To help you prepare for an unexpected outage follow these steps: • Include a portable radio with a spare set of batteries in your emergency kit so you can stay up to date with emergency information.

Keep your mobile charged and have a backup power source, like a battery pack.

Have a paper copy of contact details for your family and friends, so if you get access to a phone (such as a pay phone), you can call them.

Have some cash on hand, as EFTPOS or ATMs may not be working if there is a natural disaster.

If you get caught in a natural disaster and telecommunications services are not available, you can monitor your local and commercial radio and television stations, as well as local emergency service websites and social feeds for up-to-date warnings and information.

Prepare an emergency plan and communicate with loved ones about your plans before you have to act on them.

Follow advice from emergency services personnel on the ground and Emergency Alert phone messages if received from them.

The system depends on telecommunications networks.

If these are unavailable in a disaster, you may not get a warning.

If you're concerned for your safety, don't wait to be told to evacuate – prepare and leave early.

Do your part to stay safe and stay connected until you're back online. Having a plan in place keeps you and your loved ones safe, informed and connected.

For more information about how to prepare for a telecommunications outage, visit www.infrastructure.gov.au/STAND.

Community Christmas Tree

On Friday 16th December, we held one of our favourite events for the year - the annual Christmas Tree Party in the Park. The tree was once again well attended and we hope everyone had a great time, especially the kids as they are one of the main reasons we hold it every year.

A big thank you goes out to the CWA ladies for once again providing their yummy Sausage Sizzle and also to Woodanilling Playgroup for the lolly bags as they were and are always a hit with the kids. Thank you also to Lisa's Crafty Life for your beautiful face painting. The kids & adults absolutely loved it! Special mention to the Shire of Woodanilling for your assistance in the event. We were able to upgrade Santa's wig, beard and glasses, put some lights up on the gazebo to create a festive feel and also purchase some new decorations for the Woodanilling Primary School children to decorate the lovely tree that was provided. We also can't forget to thank our Santa and Santa's driver, without you, we wouldn't have an event!

Well done to all the P&C members who stepped up to make this event happen with organizing, donations, the tree, time, helpers and numerous other little things that helped the afternoon run smoothly. A lot goes into making this event work and we couldn't do it without the support of our members and broader community.

We hope everyone enjoyed their Christmas and we wish everyone a safe and happy 2023. Don't forget to keep an eye out in the Wongi, school Newsletter & our Facebook page for mentions of our events & fundraisers throughout the year.

Member for Roe takes on deputy role

The local Member for Roe Mr Peter Rundle MLA has been elected as Deputy Leader of The Nationals WA in a leadership reshuffle which also saw Mr Shane Love MLA elected as the new Leader of the Party. Subsequently, as the newly appointed Deputy Opposition Leader Peter Rundle said he was honoured to be elected and looked forward to working in the Leadership team, heading into 2025.

“I would like to thank my family for their understanding and patience during this time and thank my colleagues for their unwavering support,” Mr Rundle said. “With Shane Love stepping into the leadership role, I have great confidence that The Nationals WA will continue to serve the people of WA to the highest level, a precedent set by the previous Leader

Mia Davies.

“I’d like to acknowledge our outgoing Leader Mia Davies for the fantastic job she has done and the legacy that she created. “We will continue to advocate for regional WA in both the Parliament and in our electorates as well as being the voice for all West Australians in holding the McGowan Labor Government to account.”

Mr Rundle said he was excited about the new opportunities within his role as Deputy Leader but that his electorate of Roe will remain a priority.

“I want to reassure my constituents in Roe that I will continue to be their representative in Parliament on all matters involving our electorate. I will also retain all three portfolios as Shadow Minister for Education and Training, Sport and Recreation and Racing and Gaming.”

Mr Rundle said he was looking forward to working with Mr Love to provide a strong voice for all regional West Australians.

As the new Leader of the Opposition, Shane Love said the cost-of-living, housing shortages, a broken health system, out-of-control youth crime, and lack of police and teachers will remain front and centre for the State Opposition.

“As I step into the leadership role, I know we have a significant task ahead to return balance to the Parliament, and most importantly, to provide a strong voice for all regional West Australians,” Mr Love said.

“I have great confidence in our team to continue bringing a common-sense and pragmatic approach to policy, legislation and the Parliament.”

The Nationals WA Leadership team:

- Shane Love MLA, Leader of the Opposition
- Peter Rundle MLA, Deputy Leader of the Opposition
- Hon Colin de Grussa MLC, Leader of The Nationals WA in the Legislative Council
- Merome Beard MLA, Opposition Whip
