## Words from the Shire President

Hi All

It's all happening, harvest has started the earliest ever and we are already seeing Christmas decorations around the place. I extend a warm welcome to our new Councillors Ian Garstone, Kahlia Stephens and Rod Marshall who are currently completing all their inductions and training for their new roles.

I too want to say thank you to the retiring Councillors Stephen Jefferies, Tim Brown and in particular Peter Morrell with an impressive 29 years on Council. Peter represented the Shire not only in the community but also on various Regional Committees.

The Shire is currently seeking Nominations for the Community Citizen of the Year Awards including Community Citizen for Youth and Senior, Active Group or Event, Sports Star under and over 25 and the Community Long Service Award. Please consider nominating any community members, groups or events that you think needs to be recognised for one of these awards.

The Shire has commenced its "Community Strategic Plan" for the next 10 years. I urge you all to have input into this plan for our future. In the next few months, the Shire will be contacting community members and groups to find out what they would like to see included in our Community Plan for the future.

The fire season has started early this year and I ask everyone to be particularly careful even when carry out activities like mowing dead grass. In the event of a fire call 000 immediately.

I ask that if see or observe anything that needs attention in the Shire including roads, parks and ovals, buildings etc. that you in the first instance use the phone app "Snap Send Solve" or phone the Shire Office.

I hope that everyone stays safe on our run up to the festive season.

**Dale Douglas**  
**Shire President**

# The Woodanilling Railway Station is getting a facelift!

Thank you to the Local Roads and Community Infrastructure Program for their funding.

Also, a big thankyou to the amazing volunteers and Shire Workers who put their hand up to come and help. We look forward to seeing the end result.

### KENMARE HALL COMMITTEE INC

The Kenmare Hall Committee held its AGM on Sunday October 29<sup>th</sup> at the Hall. The elected executive committee for 2023-2024 is as follows:

President: Graydn Wilcox  
Vice President: Sally Vermeulen  
Secretary: Jodie Baxter  
Treasurer: Amy Bolt

Welcome to Amy Bolt who is a new member of the Kenmare community and a huge thank you to Lola Carter who has retired from the position of treasurer. Lola worked tirelessly and passionately during the refurbishment of the hall and has been a steadfast supporter of the Hall Committee and our treasurer for 15 years. We are very pleased that Lola is staying on as a committee member as she has a wealth of knowledge about all things Kenmare Hall.

Kenmare Hall has had another busy 12 months hosting Christmas functions, an 18<sup>th</sup> birthday and numerous community groups throughout the year.

This time last year we were attending the Tidy Towns Sustainable Communities Awards as a finalist. Although we did not win our category, we were proud to represent our community and the sign continues to remind us of the success of our 100<sup>th</sup> birthday celebrations.

Improvements have also been made to the Hall with the committee purchasing a fridge and grants being obtained for a portable hot water unit, stainless steel cupboard and fogger. After strong winds blew the roof off the Hall in 2021 in the week prior to the 100<sup>th</sup> birthday celebrations, a temporary repair was undertaken. Thank you to the Shire who organised the installation of the new roof in February this year.

In July, another roadside sign went up in front of the Hall. This sign includes a summary of the Hall's history and photographs both past and present. It is wonderful to see cars pull in almost every day, to have a look at the Hall and read its history.

Annual membership is now due. Fees are \$10 per person or \$30 for family membership. If you do not hear from us but would like to renew your membership or become a new member, please contact [kenmarehall1921@gmail.com](mailto:kenmarehall1921@gmail.com) or phone Sally on 0417 096 389.

Remember that Kenmare Hall is available to hire. If you would like more information about using the hall, please email [kenmarehall1921@gmail.com](mailto:kenmarehall1921@gmail.com) or phone Sally on 0417 096 389.

# PLAYGROUP

Playgroup meet weekly alternating between the school and CWA Cottage. If you would like to join or visit please contact Kahlia 0439 754 391.

This month Greg and Bev Smith visited our playgroup for morning tea and presented us with a very generous donation. We are extremely grateful and humbled by their kindness to give back to our community and support our local playgroup families. The money will be used to purchase much needed portable storage trolleys on wheels to make moving our arts crafts supplies between venues much easier.

**CBHGROUP**

**SKATE PARK  
REVITALISATION**

Woodanilling Playgroup have successfully obtained funding through the CBH Grass Roots Grants program. We are now seeking expression of interest from community members who would like to contribute to the design and roll out of the project. Projected start date mid November 2023. Project guided by professional artist Robert Ewing.

Please register your interest to Kahlia Stephens 0439 754 391.

**CONTAINERS FOR CHANGE**

Did you know that donating to the Woodanilling Primary School kids is practically a walk in the Park! We are set up to receive donations through Containers 4 Change, either by quoting our Member Number below when you your containers off at their depots OR you can deposit your empties into our bin at school. Also, keep your eyes peeled for our new bin locations around town

**We are registered!**

**Did you know that you can nominate the P&C to receive a donation through the C4C program?**

When you visit the KATANNING or WAGIN depot, all you need to do is nominate us as your donation (as little or as much as you'd like) recipient by using our ID.

## Mains water supply cannot be guaranteed during a bushfire

Water Corporation is prepared for bushfire season. However, we cannot guarantee that water pressure or water supply will be maintained in the event of a bushfire. Extreme demand, fire damage and power cuts can all result in a total loss of water.

If you plan to stay and defend your property during a bushfire, you must have your own independent water supply and pumping capability. You cannot rely on mains water.

Details and resources about how to prepare for bushfire season can be found at [mybushfireplan.wa.gov.au](https://mybushfireplan.wa.gov.au). For warnings and advice visit [emergency.wa.gov.au](https://emergency.wa.gov.au).

# PREPARING YOUR PROPERTY

## **FIREFIGHTERS WILL BE TOO BUSY FIGHTING FIRES ON THE FRONTLINE TO BE ABLE TO DEFEND YOUR HOME AND PROPERTY.**

To reduce the spread of fire and provide some shelter, start preparing your property by completing this Property Preparation Checklist.

## PROPERTY UPKEEP

**Set calendar reminders to complete these preparations monthly during fire season.**

- Cut the grass around your property to 10cm or less.
- Prune shrubs so they are not dense.
- Ensure gas cylinders are chained/secured upright.
- Check gas release valves face away from property.
- Clean gutters.
- 

## LASTING PROTECTION

**Set calendar reminders to complete these preparations annually.**

- Keep gas cylinders away from likely direction of fire (i.e. where bush is) and turn release valves outwards.
- Remove shrubs, wood, mulch or any flammable material, against or near the house.
- Block any gaps under floor, in the roof spaces, under eaves, external vents, skylights, chimneys and wall claddings.
- Install metal fly wire mesh on all windows, vents and install a protective screen on evaporative air conditioner.
- Create a mineral earth firebreak along the boundary of your property.
- Install a fire or heat radiant shield such as a solid fence.

**Complete these preparations if you own a rural property.**

- Make sure fire trucks can access and turn around on your property.
- Check bridge loading and cattle grid loading for fire truck access.
- Create fire breaks along paddock boundaries.
- Store petrol and gas safely.
- Install underground water pumps that lead from dams to the house.
- If a fire threatens, move livestock to a well grazed paddock.
- Check generator and pumps are working.
- 

For more information visit [dfes.wa.gov.au/bushfire](https://dfes.wa.gov.au/bushfire)

or contact DFES Community Preparedness: [Community.Preparedness@dfes.wa.gov.au](mailto:Community.Preparedness@dfes.wa.gov.au) or **9395 9816**

## FIREBREAK

Fire breaks are a cleared gap in the vegetation that can provide access for firefighting vehicles and also slow the spread of low intensity bushfires.

## PREPARE YOUR HOME FOR BUSHFIRES

- **Cut back branches that are near your home.**
- **Install a metal screen on evaporative air conditioners and use metal fly screens on windows.**
- **Plug and repair gaps or damage in walls and roofs.**
- **Clean gutters and box in eaves.**
- **Keep lawn short and green, remove flammable material from around the house.**
