Birak – First Summer – Season of the Young

December – January

Birak season sees the rains ease up and the warm weather really start to take hold. The afternoons are cooled by the sea breezes that abound from the southwest. This was the fire season and time to beware and stay alert.

As for the animals, there are many fledglings now venturing out of nests, though some are still staying close to their parents. Reptiles are looking to shed their old skin for a new one.

With the rising temperatures and the decreasing rainfall, it's also time for the baby frogs to complete their transformation into adulthood.

Bureau of Meteorology

Just a reminder that snakes and bobtails are coming out with the warmer weather. We remind everyone to be aware and take precautions. It is recommended that students wear closed in sneakers or school shoes to keep safe. They are also best for climbing and running, especially during fitness and physical education.

Principal's Address

Dear Parents and Carers,

The busy weeks have continued! Students started a two-week block of swimming lessons. Thanks to Ray Chapman for driving the bus for the first week and ensuring we got there, and arrived back, safely. Miss Hannan joined the team for the second week to drive the bus and helped with supervision. By the second week the children were feeling tired but found enough energy to play at the All Ages Playground in Katanning after the lessons, and a milkshake. Thanks to everyone who made the swimming lessons a success, it takes a lot of daily organisation and rearrangement of routines and timetables for everyone.

Contributions and Charges have been endorsed by the School Council and will be sent home soon. The funds received from this help to support the resources we use with the children and allow us to fund more activities. The Personal Items Lists will also be sent out for parents to review what may be needed, or to be replaced.

Last week, students and staff participated in a Bushfire Evacuation Drill to ensure they would be prepared if one arose, and to meet the Department's compliance for schools in a bushfire zone. The fire engine came along and parked on the oval and the captain talked to the children, highlighted the updated safety aspects of the truck, and then let the children climb on board. They enjoyed squirting the hose and watching the fire cannon prune the trees. The older students engaged in the experience and were inspired. Thanks to Fire Captain, Dave Coleman, for taking the time to organise the visit and then return on the day.

The year is drawing to a close and it has been amazing thanks to our newly established and committed team. The students have developed beyond our expectations as they engage with the high-quality explicit teaching and learning we have delivered.

Our staff remains the same for 2024, although I will be leaving to take up a principal position at Darkan PS. Woodanilling has had a big impact on me and I will dearly miss the lovely students, amazing parents, dedicated team and the positive school culture that has blossomed. Throughout 2023, we have all worked as a team to develop a strong strategic direction, that was evident in our Public School Review, and I feel that this will be a guiding force for the duration of the 2023 -2025 School Plan that we developed. Ms Aleksandra Mutavdzic will be taking over the position of principal and brings with her many years of experience in leadership.

I wish everyone well, and especially our Year Four students who will graduate and move into Katanning Primary School. It has been a pleasure to work in such a wonderful place.

The End of Year Concert to celebrate all we have achieved will be at the school on Wednesday 13th December at 3:30pm. Students and staff are busily preparing for the event, and we hope you can join us for this event.

It's really amazing to have kept up this high level of attendance. Thanks to everyone who makes it happen.

From the Classroom

Hello Parents and Carers,

This fortnight has seen our children significantly improve their swimming capabilities and their confidence in the water. It's been fantastic watching their progress and face some challenges that they've been able to overcome. It has been pretty exhausting as well, so lots of tired kiddos at the moment. We have reduced our academic demands on the children during this fortnight to accommodate for their exhaustion. Week 9 will return to regular learning as well as a few fun Christmas and holiday activities.

Last week, we were incredibly fortunate to have Fire Captain David and a fire truck come to visit us all at school. David explained some things about the truck, and we all got a turn holding the water hose and spraying as far as we could! The children were able to climb inside the cab and on to the back of the truck and explore many things! This event was thoroughly enjoyed by everybody and we're very grateful to the Woodanilling Volunteer Bushfire Brigade for enabling this event to occur - thank you! The Year 3 and 4's later brainstormed and discussed all the additions to the firetruck that are Design and Technology related, as this has been a focus for their Design and Technology unit this term. Then all the children created their own fantastic drawings of the firetruck which are on display in the classroom.

We are busy learning our end of year play and hopefully everyone has been organising their costumes as per What's App communication that has gone out in the last couple of weeks - please contact me if you are unsure of what your child needs. Costume requirements are kept as simple as possible.

The involvement of the children and the skate park refurbishment has been enjoyed by everyone and they are proudly telling us to look and see where they've painted - thank you to Kahlia for organising that.

Lastly, please encourage your child to continue their daily/nightly reading, even in these last few weeks, as the impact of this habit is well known to create strong readers. For the Big Woodies it doesn't have to be just the book they're bringing home - they can read shopping lists, calendars, the Farm Weekly, anything that they can read is beneficial. Little Woodies do still need to read their decodable book and we are doing extra daily reading now and the next two weeks in the classroom.

Have a wonderful weekend,

Mrs Kaylene Head

KS KIDSPORT

If your child plays sports they might be eligible for KidSport funding. For more information, please follow the link [KidSport](#).

Library

Can students please bring all library books back to school by the 13th December so we can get organised over the school holidays ready for 2024. A letter with all borrowed books will be sent out on Friday 8th December so you have a chance to find any books that might be hiding.

Playgroup

Skate Park Artwork

The children have supported Kahlia Stephens with her Playgroup initiative to upgrade the artwork in the Skate Park. Students met with the artist to develop drawings and then went to the park to start painting. They had lots of fun. The artwork and painting will continue across the weekend with community members joining in. We can't wait to see how it turns out.

If you are not sure if you need a WWC Check or to complete the Parent and child volunteer declaration form, please speak with the school office staff.

Woodanilling Primary School Council

We had our last Council meeting for the year, and it was a good wrap-up of all we have been achieving this year. The Council reviewed the student and staff numbers and the developing preliminary budget, which is looking healthy.

The Contributions and Charges and Personal Items List had been developed and the Council approved the amount and the list of items.

Voluntary contributions are an important source of income for the school to support the learning across many curriculum areas. It is always appreciated when parents pay this.

Council confirmed the School Development Days for 2024:

Body image - tips for helping your child have a healthy body weight and a healthy body image

- Be a positive role model and encourage healthy eating and physical activity, by providing healthy meals and snacks and getting active.
- Organise fun, family activities which encourage everyone to be active.

- Help children to see ‘treat’ foods, such as lollies, biscuits, chips, cakes and ice cream, as food which should be eaten only occasionally – not every day.
- Help your children to understand that there is no such thing as an ideal body shape and that ‘healthy’ people come in many shapes and sizes.
- Help your children feel special about themselves. Provide rewards and treats which are not food.
- Teach children that a person’s value is not determined by how they look.
- Avoid making comments about body weight. Focus on growth, not on scales.
- Don’t focus on weight and food restriction – focus on improved health, fitness and having fun. For more information visit

Carer Social Support Groups

Katanning

Taking a regular break and having a supportive social network improves wellbeing, is an opportunity to rest and recharge, and helps unpaid family carers to be in the best position to sustain their caring role.

Linking Together Social Support groups allow members to catch up and meet other carers in their local community. Coordinated by experienced volunteers, groups run monthly throughout the metro area and some regional areas.

Attendance is free and eligible to all carers, however carers are required to be registered with Carers WA.

When: 3rd Wednesday of each month | 10.00am – 11.30am

Where: Daily Grind

For more information, visit www.carerswa.asn.au/social-support or contact the Carers WA Social Support team on 1300 227 377 or email socialsupport@carerswa.asn.au.
