### **ORDINARY MEETING OF COUNCIL MINUTES**

### 1. DECLARATION OF OPENING / ANNOUNCEMENT OF VISITORS

The Shire President declared the meeting open at 4:03pm

### **1.1. DISCLOSURE OF INTEREST**

Division 6 Subdivision 1 of the *Local Government Act 1995* requires Council Members and Employees to declare any direct or indirect financial interest or general interest in any matter listed in this Agenda.

The Act also requires the nature of the interest to be disclosed in writing before the meeting or immediately before the matter be discussed.

NB: A Council member who makes a disclosure must not preside or participate in, or be present during, any discussion or decision making procedure relating to the declared matter unless the procedures set out in Sections 5.68 or 5.69 of the Act have been complied with.

### DISCLOSURE OF INTEREST AFFECTING IMPARTIALITY

Disclosures of Interest Affecting Impartiality are required to be declared and recorded in the minutes of a meeting. Councillors who declare such an interest are still permitted to remain in the meeting and to participate in the discussion and voting on the particular matter. This does not lessen the obligation of declaring financial interests etc. covered under the *Local Government Act 1995*.

To help with complying with the requirements of declaring Interests Affecting Impartiality the following statement is recommended to be announced by the person declaring such an interest and to be produced in the minutes.

"I (give circumstances of the interest being declared, eg: have a long standing personal friendship with the proponent). As a consequence, there may be a perception that my impartiality on this matter may be affected. I declare that I will consider this matter on its merits and vote accordingly".

### **1.2. RISK MANAGEMENT**

The risk in relation to matters arising from items presented at Council will have a consequence rating. The ratings can be assessed against the below table and colour code.

| Consequence    | Insignificant         | Minor  | Moderate | Major  | Extreme |
|----------------|-----------------------|--------|----------|--------|---------|
| Likelihood     |                       |        |          | -      |         |
| Almost Certain | Me <mark>di</mark> um | High   | High     | Severe | Severe  |
| Likely         | Low                   | Medium | High     | High   | Severe  |
| Possible       | Low                   | Medium | Medium   | High   | High    |
| Unlikely       | Low                   | Low    | Medium   | Medium | High    |
| Rare           | Low                   | Low    | Low      | Low    | Medium  |

| Risk Rating | Action  |
|-------------|---|
| LOW         | Monitor for continuous improvement.   |
| MEDIUM      | Comply with risk reduction measures to keep risk as low as reasonably practical.                      |
| HIGH        | Review risk reduction and take additional measures to ensure risk is as low as reasonably achievable. |
| SEVERE      | Unacceptable. Risk reduction measures must be implemented before proceeding.                          |

### BRIEF SUMMARY

The purpose of this report is to recommend to Council to consider the invitation from WALGA to register as a RoadWise Council, this will demonstrate leadership towards initiatives and actions to improve road safety outcomes for our communities.

### **BACKGROUND/COMMENT**

Correspondence has been received from WALGA inviting the Shire of Woodanilling to sign up to a new initiative and register as a RoadWise Council.

The new RoadWise Councils Framework informs the approach WALGA's road safety team takes in supporting Local Governments in working towards delivering best practice road safety. The Framework takes into account the elements which determine the level of safety of the road transport system within the context of Local Governments.

To register, Local Governments can accept the invitation by providing a Council resolution or a written declaration of commitment to road safety and nominating at least two personnel (Officers and/or Elected Members) to be the primary point of contact for road safety matters.

The benefits for Local Governments that register as RoadWise Councils include:

- use of the RoadWise logo,
- priority access to WALGA's road safety services and products,
- exclusive quarterly meetings and support from a Road Safety Advisor,
- priority access to participate in WALGA's road safety policy development, training, professional development forums and knowledge-sharing workshops offered by WALGA,
- access to incentives and sponsored programs, and
- participation in the new RoadWise Recognised initiative.

The RoadWise Recognised aspect of being a RoadWise Council provides formal recognition for, and enables benchmarking and monitoring of road safety management, actions and interventions. RoadWise Recognised will assist Local Governments with continuous improvement in road safety actions and outcomes through regular support, monitoring and sharing of information.

Local Governments are encouraged to remain registered RoadWise Councils to ensure they have access to specialist advice and assistance in managing road safety at a local level to the best of their capacity and capability.

The Shire of Woodanilling recognises that it invests significant resources in managing the local road network and is well placed to influence road safety outcomes on this network. The RoadWise Recognised Program provides the opportunity for the Shire to improve road safety on the local road network through our role in building, maintaining, and managing roads.

The Shire also recognises that the Safe System approach to road safety is considered best practice and supports the application this approach to the local road network with the support of the RoadWise Council Framework.

### STATUTORY/LEGAL IMPLICATIONS

Road authorities owe all road users a duty of care and must do what is reasonable to be aware of deficiencies in the road transport system, to assess and prioritise them, and have a system for remedying them.

### **POLICY IMPLICATIONS**

This decision may need to be reflected in the implementation of existing or new council policies

### FINANCIAL IMPLICATIONS

There are no financial implications to register as a RoadWise Council.

### STRATEGIC IMPLICATIONS

Transport and Roads

### OBJECTIVES

The vision to maintain a quality road transport network which is safe and accessible to all users

### **CONSULTATION/COMMUNICATION**

Some initiatives or outcomes may require community consultation which will occur when and if required.

Registering as a RoadWise Council will support the Shire's Corporate Business Plan 2012-2022; Theme 4: Economic Roads & Transport, Key Performance Indicator 3 of Analyse current data, set realistic targets, and implement and monitor programs to improve road toll/crash figures.

### **RISK MANAGEMENT**

The risk has been assessed and identified as low.

### **VOTING REQUIREMENTS**

Simple Majority

Ms Kellie Bartley Chief Executive Officer Shire of Woodanilling PO Box 99 WOODANILLING WA 6316

Dear Ms Bartley

I am pleased to invite the Shire of Woodanilling to become a RoadWise Council. This new initiative has been developed to encourage, motivate and support Local Governments to incorporate best practice road safety principles and policy across their business services to reduce the number of people killed and seriously injured on local roads.

By becoming a RoadWise Council you will:

- Demonstrate a commitment to improve road safety outcomes within your community using the resources available to you.
- Have access to the RoadWise Council logo for use on Shire of Woodanilling promotional communications or infrastructure.
- Gain priority access to WALGA's road safety services and products.
- Be eligible for formal recognition for road safety management and actions, including support in benchmarking and monitoring progress of road safety outcomes through the RoadWise Recognised initiative.

To register as a RoadWise Council please complete the following steps:

- 1. Obtain a Council resolution in support of becoming a RoadWise Council OR provide a declaration signed by the Chief Executive Officer and the Mayor/Shire President.
- 2. Nominate at least two personnel (Officers and/or Elected Members) to be the primary point of contact for road safety matters.

We welcome your registration by submitting the attached form, together with supporting documentation, to <u>roadwise@walga.asn.au</u>.

If you require further information or assistance, including sample resolution or declaration wording, please contact your assigned Road Safety Advisor, Viv Gardiner, phone 0418 904 081, or email vgardiner@walga.asn.au.

Yours sincerely

Nick Sloan Chief Executive Officer

### STATUTORY/LEGAL IMPLICATIONS

Regulation 13 of the Local Government (Financial Management) Regulations 1996 states:

13. Payments from municipal fund or trust fund by CEO, CEO's duties as to etc.

- (1) If the local government has delegated to the CEO the exercise of its power to make payments from the municipal fund or the trust fund, a list of accounts paid by the CEO is to be prepared each month showing for each account paid since the last such list was prepared—
  - (a) the payee's name; and
  - (b) the amount of the payment; and
  - (c) the date of the payment; and
  - (d) sufficient information to identify the transaction.
- (2) A list of accounts for approval to be paid is to be prepared each month showing—
  - (a) for each account which requires council authorisation in that month—
    - (i) the payee's name; and
    - (ii) the amount of the payment; and

- (iii) sufficient information to identify the transaction; and
- (b) the date of the meeting of the council to which the list is to be presented.
- (3) A list prepared under subregulation (1) or (2) is to be
  - (a) presented to the council at the next ordinary meeting of the council after the list is prepared; and
  - (b) recorded in the minutes of that meeting.

### **POLICY IMPLICATIONS**

The Chief Executive Officer, under relevant delegation, is authorised to arrange purchase of specific items in the budget, which do not require calling tenders, providing that it is within the approved and adopted budget.

### FINANCIAL IMPLICATIONS

There are no financial implications that have been identified as a result of this report or recommendation.

### STRATEGIC IMPLICATIONS

### Governance

To promote continual improvement that is supported by efficient and effective governance structures and processes.

### CONSULTATION/COMMUNICATION

Nil.

### **RISK MANAGEMENT**

The risk in relation to this matter is assessed as high if Council does not accept the payments. The risk identified would be failure to fulfil statutory regulations or compliance requirements. Shire Officer's provide a full detailed listing of payments made in the timely manner.

### **VOTING REQUIREMENTS**

Simple Majority

### **BRIEF SUMMARY**

The Monthly Financial Report for period ending 29 February 2024 is presented for Council's consideration.

### **BACKGROUND/COMMENT**

In accordance with regulation 34 of the *Government (Financial Management) Regulations 1996,* the Shire is to prepare a monthly Statement of Financial Activity for approval by Council. The Monthly Financial Reports have been prepared in accordance with statutory requirements.

The Statement of Financial Activity as at 29 February 2024 shows a closing surplus of \$986,004.

### STATUTORY/LEGAL IMPLICATIONS

Section 6.4 of the *Local Government Act 1995* requires a Local Government to prepare an annual financial statement for the preceding year and other financial reports as they prescribed.

Regulation 34 (1) of the *Local Government (Financial Management) Regulations 1996* as amended requires the Local Government to prepare monthly financial statements and report on actual performance against what was set out in the annual budget.

### **POLICY IMPLICATIONS**

There is no Council Policy relevant to this item.

### FINANCIAL IMPLICATIONS

The Budget will be regularly monitored on at least a monthly basis, by the Chief Executive Officer and Accountant. Responsible Officers are also required to review their particular line items for anomalies each month, with a major review required by law, between 1 February and 28 March of each year pursuant to the *Local Government (Financial Management) Regulations 1996* (Regulation 33A).

Any material variances that have an impact on the outcome of the budgeted closing surplus/deficit position are detailed in the Monthly Financial Report contained within the following attachment.

### STRATEGIC IMPLICATIONS

### Governance

### OBJECTIVES

To promote continual improvement that is supported by efficient and effective governance structures and processes.

### CONSULTATION/COMMUNICATION

Reporting Officers receive monthly updates to track expenditure and income and to be aware of their work commitments versus budget allocations.

### **RISK MANAGEMENT**

The risk in relation to this matter is assessed as low on the basis that if Council does not receive the Monthly Financial Reports for the month reported leading to the Shire not meeting legislative requirements on financial reporting. The risk identified would be failure to fulfil statutory regulations or compliance requirements.

### VOTING REQUIREMENTS

"Traffic Lights" Colour Coding:

For the purposes of identifying "material variances" under Local Government (Financial Management) Regulation 34, the Council has defined a formula to calculate the variance (see also Variance Report in these Statements). To simplify this reporting, a traffic light system is used in the variance column of the Statement of Comprehensive Income and the Rate Setting Statement, as follows: **Revenue:** 

Green = Actual Revenue is greater than Year-to-Date budgeted revenue

Red = Variance between Actual Revenue and Year-to-Date budget is greater than 10% (lower) **Expenditure:** 

Green = Actual Expenditure is less than Year-to-Date budgeted expenditure Red = Variance between Actual Expenditure and Year-to-Date budget is greater than 10% (higher)

## 14.1.CMCA WEST COAST WAGS CHAPTER CAMP OUT 2024 - REQUEST FOR WAIVER OF FEES

## **BRIEF SUMMARY**

This item is for Council to consider the request from the West Coast WAGS a Campervan & Motorhome Club of Australia (a motorhome chapter of CMCA) to have the fees and charges reduced for the 2024 CMCA West Coast WAGS event to be held in December 2024.

## **BACKGROUND/COMMENT**

In December 2021, CMCA West Coast Wags had 30+ vans attend for their Christmas function catered by the CWA Ladies. Some also patronised the Tavern.

In November 2022, the CMCA Whistlers held a gathering attended by 20 vans over a weekend. This equated to 21 people attending the Woodanilling Tavern for dinner on the Saturday night along with spending time within the district. Several members walked or rode bikes around the town and visited the General Store.

In December 2023 CMCA Golden Whistlers held a gathering attended by 20 vans over a weekend. This equated to 24 people attending the Woodanilling Tavern for our Christmas dinner on the Saturday night.

Several members walked or rode bikes around town and all our members visited the Woody Shop making purchases of Coffee or Ice Creams and one member purchasing 2 bales of hay to take back to Perth in their motorhome.

All events held in 2021 ,2022 and 2023 were successful rallies and provided a great venue in Woodanilling for the camper who have consistently supported this outing.

The CMCA West Coast WAGS is again applying to the Council for a reduction of hire fees for the period of 12<sup>th</sup> December to the 16<sup>Th</sup> December 2024. This will be their second attendance and "The Woodanilling Rally" is very popular with their group.

By reducing the hire fee for the Woodanilling Recreation Centre, this allows the opportunity for local business to benefit by the visit and increase the usage of the facilities along with increasing Woodanilling surrounds.

The Shire's RV site fees are \$5 per van per night as well as the hire facility charges to utilise the Woodanilling Recreation Centre. They are requesting that the hire fees to the facility be reduced to \$25 per day instead the current fees of \$192.50 per day as detailed in the Shire's current Fees and Charges.

The Shire received in RV fees totalling \$300.00 along with the discounted hire fee endorsed by Council previously. The West Coast WAGS are only requesting for the hire facility fees to be considered.

## STATUTORY/LEGAL IMPLICATIONS

Council is able to offer a donation or afford a financial grant through the adopted budget and policy framework which has been endorsed under the relevant provisions of the *Local Government Act 1995*.

### **POLICY IMPLICATIONS**

There is a specific policy that is pertinent to this event. While Council Policy 13 – Camping of Recreational Vehicles and Overflow – camping grounds allows for these types of vehicles to be located within the Recreational Precinct.

Council Policy 81 – Use of Shire of Woodanilling Facilities – would ordinarily apply the set fees and charges with the 2023/2024 Annual Budget however this does fall into the 2024/2025 financial year.

## FINANCIAL IMPLICATIONS

There is currently sufficient funds available within the current allocation to accommodate this application, however it must be noted that this will be applied with the proposed 2024/2025 Annual Budget as the event is to be held in December 2024.

The full cost is \$192.50 per day, totalling \$770.00. The rate requested at \$25 per day will amount to \$110.00 hence discounting the event by \$660.00. The provisions of each van contributing \$5 per day to be paid to the Shire.

## STRATEGIC IMPLICATIONS

### **Community Facilities**

To ensure access to high quality facilities and services that the community is proud to use and promote

### OBJECTIVES

To make our Community a place where people want to come, stay, and grow

### CONSULTATION/COMMUNICATION

Communication has been via email between Leanne Aitken (Events Coordinator for WAGS) and the EA to CEO

#### **RISK MANAGEMENT**

The risk in relation to this matter is assessed as low.

### **VOTING REQUIREMENTS**

## **BRIEF SUMMARY**

The Shire of Katanning have invited the Shire to participate in the preparation of an impact report resulting from the live sheep export trade.

## **BACKGROUND/COMMENT**

Shire of Katanning is seeking to understand the impact of the proposed phasing out of live sheep exports by the federal government.

Econisis recently undertook a similar report for the Northeast Wheatbelt Regional Organisation of Councils (NEWROC). In that report the extent of the exposure to the regional economy of the proposed phasing out and ban of live sheep exporting and estimated the direct and indirect economic impact was analysed.

At this stage the Shires of Katanning, Broomehill-Tambellup, Cranbrook, Jerramungup and Woodanilling will be a party to the report.

## STATUTORY/LEGAL IMPLICATIONS

Local Government Act 1995

### POLICY IMPLICATIONS

No Policy applies

### **FINANCIAL IMPLICATIONS**

The estimated cost to the Shire to participate in the Report is \$1,875 plus GST

### STRATEGIC IMPLICATIONS

Whilst this topic is not specifically mentioned in the Strategic Community Plan, it is noted that the land in the district is utilised for crop production, as well as sheet and cattle production.

### CONSULTATION/COMMUNICATION

Via Shire of Katanning. The Acting CEO has expressed the Shire's desire to be included in the preparation of this report.

## **RISK ASSESSMENT**

The risk associated with item has been deemed to be medium. This is representative of the impact on the economic future of the Shire.

## Dear Peter,

## Econisis Proposal – Katanning/Great Southern Live Sheep Export Impact Assessment

Thank you for the opportunity to provide this proposal. I understand from our most recent discussion that the Shire of Katanning is seeking to understand the impact of the proposed phasing out of live sheep exports by the federal government. Econisis recently undertook a similar report for the Northeast Wheatbelt Regional Organisation of Councils (NEWROC). In that report we analysed the extent of the exposure to the regional economy of the proposed phasing out and ban of live sheep exporting and estimated the direct and indirect economic impact.

It is understood that the Shire of Katanning is seeking cost estimates for the preparation of a similar report for either the Shire or for the wider great southern region (or part thereof). This letter represents a concise proposal from Econisis to complete the required tasks and includes:

- Scope and Methodology
- About Econisis
- Demonstrated Experience
- Referees
- Project Fees and Timeframes

Scope and Methodology

Econisis will complete the following tasks:

- Inception meeting with the client via teams to initiate their project, including; confirmation
  of data inputs, communication protocols, output formats, and timing and invoicing.
- Policy overview and research review provide a technical overview of the federal government policy proposal to offer critical context for the assessment; and undertake a review of existing and recent research on live ship export and policy impacts completed by other consultants at a national and state level. This will include consideration of changes that have taken place since the preparation of the NEWROC report.
- Profiling of Katanning and/or Great Southern Sheep Production Econisis will draw on key data sets and information from constituent local governments or for the Shire of Katanning to quantify the overall sheep production profile of the study area, within the context of WA and national production. The purpose of this is to establish and emphasise the relative importance of the region in this production, as well as to enable different impact assessment approaches to be calculated.

- Impact assessment Econisis recommends that three different approaches be utilised to estimate the impact of the policy on the great southern or Katanning economy. The use of these approaches will help provide comprehensive understanding of the impact of policy changes and allow for each of the approaches to cross validate the other. These approaches will include *proportional impact analysis* (utilising regional sheet production and sales data to apportion previous quantified whole of state impacts down to a local regional level), *economic related expenditure impacts* (utilising regional WA economic multipliers to assess direct indirect impacts that the expenditure associated with live ship export industry will have on the region and the study area) and *household and community impacts* (this approach will utilise indirect household consumption based economic multipliers, to estimate the impact that the loss of the live sheep exports trade would have on the economic and consumption capacity of households in the region).
- Technical report the results of the analysis and the assessment will be summarised in a draft technical report suitable for use in funding submissions, policy responses, discussion papers, and business cases. This will include an executive summary, assumptions and data sources, and a drafting of all results and conclusions. This draft report would be provided for review and comment by the client. Upon receipt of comments a final version of the report in PDF will be provided.

## **BRIEF SUMMARY**

The Council is requested to endorse the principles of the Great Southern 2050 Cycling Strategy and receive the proposed action plan for future budget and planning consideration.

Endorsement of the Great Southern Cycling Strategy does not commit Council nor State Government agencies to deliver all, or any part, of the Great Southern Cycling Strategy within a particular timeframe – nor does endorsement commit any party(s) to fund any specific route or initiative within the Strategy. Council endorsement confirms support for local and State Government agencies to work together in delivering the aspirational Great Southern 2050 Cycling Strategy over the longer term.

## **BACKGROUND/COMMENT**

## Background to the Regional 2050 Cycling Strategies:

- The Western Australia Bike Network (WABN) Plan 2014-2031 includes a key action to develop long term cycle strategies for Perth and Regional WA.
- The Department of Transport (DoT) have identified the need for twelve long-term cycling strategies across WA, including eleven Regional 2050 Cycling Strategies (Attachment One).
- These strategies create a shared long-term vision for cycling in the regions and guide delivery of safe and interconnected bicycle networks, along with associated facilities and travel behaviour change initiatives.
- Each strategy is developed in partnership with local government and is informed by multiple phases of stakeholder and community consultation. Positioned as aspirational strategies to 2050, each strategy highlights opportunities to encourage bike riding for transport, recreation and tourism across the region and proposes networks for regional centres and their surrounding areas. Five-year action plans prioritise the delivery of strategic infrastructure and initiatives and guide funding through DoT's current Regional Bike Network (RBN) Grants Program (nb the program has been suspended for 2024-25 financial year, with the future funding program to be determined) or its future iteration.
- As aspirational plans, it is recognised that regional local governments with constrained funding may not have the capacity to deliver the complete final networks. Beyond guiding available RBN funding, these strategies are also demonstrably effective in driving additional investment by opening additional funding sources and enabling local government(s) to build more of the network and deliver more local travel behaviour change initiatives.
- Development of these strategies is wholly funded by DoT but undertaken in partnership with relevant local governments.
- Six regional strategies have been completed, with the remaining strategies due for completion in 2023-24.

## Development of the Great Southern 2050 Cycling Strategy:

• Development of the Great Southern 2050 Cycling Strategy began in mid 2022, with the City of Albany and the Shires of Broomehill-Tambellup, Cranbrook, Denmark, Gnowangerup, Jerramungup, Katanning, Kent, Kojonup, Plantagenet and Woodanilling, working in partnership with DoT.

- Internal working groups for each local government provided input and guided the development of the document. These working groups included diverse representatives across engineering, works, planning, community development, community safety, communications, sustainability, tourism, and economic development.
- A scope of works was agreed, and DoT procured Outdoors Great Southern as the delivery contractor to assist on the project.
- Stakeholder input was sought and received from government and non-government organisations, including (but not limited to) the Departments of Local Government, Sport and Cultural Industries (DLGSC), Planning, Lands and Heritage (DPLH), Biodiversity, Conservation and Attractions (DBCA), Main Roads Western Australia (MRWA), Department of Water and Environmental Regulation (DWER) and Tourism WA, as well as the WA Local Government Association (WALGA), Great Southern Development Commission and
- WestCycle. Meetings were also held with the Great Southern Trails Master Plan, Noongar Advisory Group. Details of stakeholder consultation can be found in Section 1.4.6 of the Strategy.
- Outdoors Great Southern visited all key centres across the region to undertake initial scoping in mid to late 2022. A comprehensive review of relevant government and non-government policies and strategies was undertaken, alongside reviews of existing cycling networks, data analysis, and stakeholder meetings to discuss and identify opportunities for cycling across the region.
- Outputs from the scoping work culminated in the production of information sheets and preliminary 2050 network maps for the project, which were used in community consultation. Information on the project was provided via the online My Say Transport engagement platform and in hard copy at drop-in sessions and Shire Administration Centres.
- Feedback was gathered via direct comments, a survey, and interactive maps. Over 600 visits (including information downloaded) were made to the My Say Transport project page, with 140 people engaged online and completing the survey between late October and early December 2022. In addition, approximately 60 people attended a 'Community Bike Chat' as part of the 'Green Fair on the Square' in Albany in October 2022. See Appendix C of the Strategy for details.
- The final strategy includes five central themes for cycling across the region, with key opportunities identified for each that highlight the potential for bike riding in and around the Great Southern region. Case studies are used to illustrate where similar outcomes have been achieved elsewhere. The themes include:
  - Connecting people to where they live, work, learn and play;
  - Improving safety for bike riders on roads;
  - Encouraging cycling for people of all ages, abilities and backgrounds;
  - Improving planning for cycling; and
  - Developing cycle tourism experiences.
- The document is a shared aspirational vision for cycling across the region, with the action plan
  providing a guide for delivery, not an enforced set of actions. This long-term planning approach
  has now been endorsed by 32 metro LGAs (through the Perth and Peel Long- Term Strategy) and
  all LGAs with published regional strategies (including those in Warren- Blackwood, LeeuwinNaturaliste, Bunbury-Wellington, Esperance, Geraldton and Pilbara). This endorsement has been
  given on the basis that DoT will continue to work with LGAs over time to maintain and where
  necessary modify the strategy.

## STATUTORY/LEGAL IMPLICATIONS

Local Government Act 1995

## POLICY IMPLICATIONS

No Policy applies

## FINANCIAL IMPLICATIONS

No financial implications at this point

## STRATEGIC IMPLICATIONS

## Social

## **Community Facilities and Well Being**

- To provide facilities and amenities that meet the community's needs and expectations within Council's ability to fund from rates and external sources.
- To ensure access to high quality facilities and services that the community is proud to use and promote.
- To deliver a quality of life to our residents that is based upon sound environmentally sustainable principles and is socially productive & growing

## **CONSULTATION/COMMUNICATION**

As outlined in report and Draft Strategy

## **RISK ASSESSMENT**

The risk associated with item has been deemed to be low.

## COMMENT

## Conclusion:

- Local government members of the project working group across the region have been critical in the development of the Strategy, especially during consultation.
- The Strategy is now being submitted to Council and DoT Executive for endorsement. Councils are invited to endorse the strategy as-is or provide in-principle support pending any requests for modifications.
- A copy of Ordinary Council Minutes is requested by DoT for records.
- Once endorsed the Strategy will be published on the DoT website. The document is maintained by DoT in partnership with all included local governments.
- DoT seek this endorsement to demonstrate region-wide collaboration on a shared vision, which will assist in leveraging and prioritising future funding. Once a long-term strategy is in place, all current WABN grants, and its future iteration, will be linked to them. Furthermore, these strategies have already been successful in gaining funding from Federal and commercial sources.
