I grew up on the family farm, attended Woodanilling Primary School, completed high school in Katanning and studied at university in Perth.

My husband and I lived and worked in Mandurah, while raising our two children. I taught secondary school science for 22 years, and was Head of the Science Dept for seven years, overseeing 7 laboratories and 11 staff, gaining experience in staff management, building maintenance and budgeting.

I have held many leadership positions within organisations and was honoured to be presented with Life Membership of Peel Hockey Association.

In 2013 I moved back to Woodanilling to work for the family farming business.

I am currently secretary of my local Fire Brigade, an active firefighter, Vice President of the Kenmare Hall Committee, a Woody Hockey Club committee member and women's hockey coach.

As a councillor I would prioritise community connection, work to improve infrastructure, support long-term planning and represent the diverse interests of our residents.
